

CRITERION IV: INFRASTRUCTURE AND LEARNING RESOURCES

4.1 Physical Facilities

4.1.1 How does the institution plan and ensure adequate availability of physical infrastructure and ensure its optimal utilization?

To keep pace with growing demands of higher education, the college has significantly enhanced the infrastructure. Optimum utilization of the infrastructure is ensured. The academic session is so framed that our classrooms and laboratories are occupied from morning till evening. Regular campus activities ensure that our auditorium and seminar halls are utilized around the year.

4.1.2 Does the institution have a policy for the creation and enhancement of infrastructure in order to promote a good teaching-learning environment? If yes, mention a few recent initiatives.

The college has the adequate infrastructure facilities for conducting BSc (N), PB BSc (N), and MSc(N) courses. These include:

Infrastructure Facilities:

INFRASTRUCTURE	AVAILABLE NUMBER	FACILITY PROVIDED AREA	(Sq.mt)
General Classrooms	08	White & black boards	50,836.61 Sq.Ft.
Auditorium	01	LCD, Audio	8,550.00 Sq.Ft.
Laboratory	06	Laboratory equipment	6679.72Sq.Ft.
Central Computer centre	01	Internet & e-journal facilities	869.40
Common Rooms For Boys& Girls	02	Common use for boys and girls	9684.00
Mission Monitoring Room	01	Internet	
Principal Room	01	Internet, toilet	544.45 Sq.Ft.

Vice Principal Room	01	Internet, toilet	265.00 Sq.Ft.
HOD ROOM	05	Internet, toilet	1,294.94
Staff Room (UG)	02	Internet, toilet	2421.06
Staff Room (PG)	02	Internet, toilet	1560.2

S.No	Particulars	Area
VI – FLOOR		
1.	Principal chamber	544.45 Sq.Ft.
2.	Vice Principal chamber	265.00 Sq.Ft.
3.	Office Room	265.00 Sq.Ft.

Photocopying machines(Large)	01

4.1.3. Has the institution provided all its departments with facilities like office room, common room and separate rest rooms for women students and staff?

There are Five Departments in the college all the Departments has adequate office room, common room and separate rest rooms for women students and staff.

4.1.4. How does the institution ensure that the infrastructure facilities are barrier free for providing easy access to college and hospital for the differently-abled persons?

The following institutional facilities ensure adequate comfort to the specially-abled:

- ❖ Ramp facility wherever required
- ❖ Very efficiently operated lift facility with extra care and concern for the differently-abled.
- ❖ Western type wash rooms on all the floors

4.1.5 What special facilities are available on campus to promote students' interest in sports and cultural events/activities?

- ❖ Adequate infrastructure has been provided for students to take part in extra-curricular activities.
- ❖ The auditorium with a seating capacity of more than 600 Seats is very well equipped with good acoustics. National level symposium and cultural activities are conducted here on a regular basis.
- ❖ The college has made provision for a gymnasium to encourage physical fitness.
- ❖ We have ample facility for conducting indoor sports like chess, carom, table tennis, etc.

The field adjoining the college is being used for sport events like badminton, volley ball, throw ball, basketball, hand ball, and cricket etc. The table below shows the details.

Table 4.1.5. (b) Infrastructural details – Extracurricular activities:

TRANSPORT FACILITY

SPORTS FACILITY

FACILITIES

Facility Area	Area(Sq.Mt) /Seating Capacity	Purpose
Auditorium	8,550.00 Sq.Ft.	Conference, seminar, Cultural
Girls/Boys Common Room	968.40	Common usage For boys & girls
Sports and Games facility (Indoor)	250	For conducting indoor sports
Sports and Games facility (outdoor)	1950	For conducting outdoor sports and games
NSS Room	75	Social welfare programmes
English Language Lab	120	To improve communication skills.

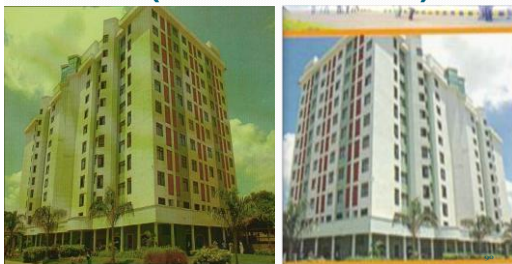

Details on the residential facility and various provisions Hostel Facility

- ❖ Accommodation available The institution has a well-run hostel facility within the campus. Table 4.1.5(a) shows the details of the hostel facilities provided.

Hostels	Number of rooms	Capacity	Occupancy
Girls hostel	90	500	80%
Boys hostel	40	300	65%
NRI hostel	60	80	80%

HOSTEL

ACCOMMODATION (Students & Staff)

4.1.6 What measures does the institution take to ensure campus safety and security?

For The Oxford College of Nursing Hongasandra campus strict security arrangements are made, totally there are securities are working in hrs, like 2 securities in day shift & 2 securities in night shift. They are totally dedicated to work; they keenly watch all the persons in & out activities, securities checks the students ID CARD, in out time, vehicle pass, registration of time of entry, exit

In case any problems they contact the main security officer and further action can be taken immediately.

- ❖ The college is 24×7 under the surveillance of efficient security personnel and CCTV cameras are provided to ensure safety of students and staff.

SELF FINANCING REPUTED PRESTIGIOUS PREMIER NURSING INSTITUTION IN THE COUNTRY

Community Development Through Excellent Health
Care Nursing Education, Service and Research

4.1.8 Provide the following details on the use of laboratories / museums as learning resources:

- ❖ Number
- ❖ Maintenance and up-gradation
- ❖ Descriptive catalogues in museums
- ❖ Usage of the above by the UG/PG students
- ❖ Nursing Foundation Laboratory
- ❖ Medical Surgical Laboratory
- ❖ Community Health Nursing Laboratory
- ❖ Maternal and Child Health Laboratory
- ❖ Nutrition Laboratory
- ❖ Pre clinical Laboratories
- ❖ Specimens, Models and Mannequins

10)	OBG	40

❖ **Number of specialty services –**

- ❖ 19 specialty services are Available in The Oxford Medical College hospital & Research Centre.

❖ **Number of super-specialty services –**

- ❖ Super-specialty services will be started in the future

❖ **Number of beds in ICU / ICCU / PICU / NICU, etc.**

- ❖ ICCU-5 Bed
- ❖ MICU-5 Bed
- ❖ SICU-5 Bed
- ❖ PICU-5 Bed
- ❖ NICU-5 Bed
- ❖ EICU-5 Bed

❖ **Number of operation theatres-**

- ❖ There are 08 operation theatres
- ❖ Major-6
- ❖ Minor-2

- ❖ **Number of Diagnostic Service Departments ,Clinical Laboratories**
 - ❖ There are 09 Clinical Laboratories working in the hospital
- ❖ **Service areas viz. laundry, kitchen, CSSD, Backup power supply, AC plant, *Manifold Rooms*, pharmacy services -**
 - ❖ All the above facilities are in the hospital
- ❖ **Blood Bank services**
 - ❖ YES the hospital has up to date Blood bank services
- ❖ **Ambulance services-**
 - ❖ YES, The hospital has modern ambulance with latest life saving equipments
- ❖ **Hospital Pharmacy services –**
 - ❖ YES Hospital Pharmacy services are available for both In patients and out patients
- ❖ **Drug poison information service**
 - ❖ Will be established in future
- ❖ **Pharmacovigilance**
 - ❖ Yes The hospital has Hospital Pharmacovigilance Department
- ❖ **Mortuary, cold storage facility**
 - ❖ YES, Mortuary, cold storage facility is available in the hospital.
- ❖ **Does the teaching hospital display the services provided free of cost?-**

YES hospital display the services provided for the patients
- ***What is the mechanism for effective redressal of complaints made by patients?**
 - ❖ Through feedback forms patient's complaints are solved
- ❖ **Give four years statistics of inpatient and outpatient services provided.**

Statistics of inpatient and outpatient for (Jan-2013 To Jan2014)

Does the hospital display charges levied for the paid services?

No

- ❖ Are the names of the faculty and their field of specialization displayed prominently in the hospital? -
 - ❖ YES all the names of the faculty and their field of specialization displayed prominently in the hospital
- ❖ Is pictorial representation of the various areas of the hospital displayed in a manner to be understood by illiterate patients? -
 - ❖ Yes pictorial representation of the various areas of the hospital displayed in the hospital for better understanding of the patients
- ❖ Is there a prominent display of ante-natal, mother and child health care facilities? –
 - ❖ yes ante-natal, mother and child health care facilities are available and prominent displayed
- ❖ How does the hospital ensure dissemination of factual information regarding rights, responsibilities and the health care costs to patient and the relatives/attendants?
 - ❖ Hospital ensures dissemination of factual information regarding rights, responsibilities and the health care costs to patient and the relatives/attendants through informed consent.
- ❖ How does the hospital ensure that proper informed consent is obtained? –
 - ❖ For all the hospital Procedures informed consent is obtained from patients and relatives
- ❖ Does the hospital have well-defined policies for prevention of hospital-acquired infections? -
 - ❖ Yes the hospital has well-defined policies for prevention of hospital-acquired infections; separate infection control department is functioning
- ❖ Does the hospital have good clinical practice guidelines and standard operating procedures? -
 - ❖ Yes the hospital follows clinical practice guidelines and standard operating procedures as per MCI
- ❖ Does the hospital have effective systems for disposal of bio-hazardous waste?
 - ❖ Yes biomedical department(Meridian) safely disposes the bio-hazardous waste effectively

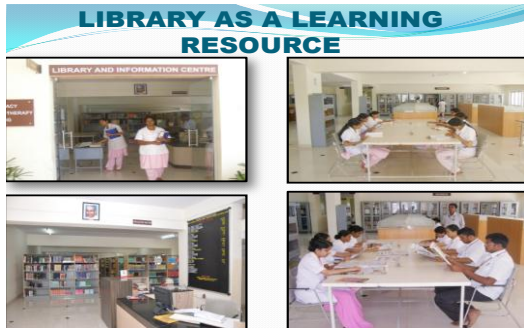

- ❖ How does the hospital ensure the safety of the patients, students, doctors and other health care workers especially in emergency department, critical care unit and operation theatres? Are the safety measures displayed in the relevant areas? -
 - ❖ Yes ,the hospital ensure the safety of the patients, students, doctors and other health care workers especially in emergency department, critical care unit and operation theatres safety measures displayed in the all the areas
- ❖ How are the Casualty services/Accident and Emergency Services organized and effectively managed?
 - ❖ As per the emergency protocols Casualty services/Accident and Emergency Services organized and effectively managed
 - ❖
- ❖ Whether the hospital provides patient friendly help-desks at various places.
 - ❖ Yes the hospital effectively provides patient friendly help-desks at various places for better understanding of the patients
- ❖ Does the hospital have medical insurance help desk?
 - ❖ Medical insurance help desk will be started shortly.
- ❖ What are the other measures taken to make the hospital patient friendly?
 - ❖ Through various help desks and dedicated volunteers make creating the hospital patient friendly environment
- ❖ How does the hospital achieve continuous quality improvement in patient care and safety?
 - ❖ Through the quality control and various audits ensures the quality improvement in patient care and safety
- ❖ What are the measures available for collecting feedback information from patients and for remedial actions based on such information?
 - ❖ Feedback forms were utilized to assess the patient care and safety, based on that the quality of patient care is improved.
- ❖ How does the institution ensure uniformity in treatment administered by the therapists?
 - ❖ The institution ensures uniformity in treatment administered by the therapists through standardized protocols
- ❖ Does the institution conduct any orientation training program for AYUSH- based para-medical staff?
 - ❖ AYUSH facilities will be started in the future

4.2.2 What specific features have been included for clinical learning in the out-patient, bedside, community and other clinical teaching sites?

Case based learning and evidence based learning included for clinical learning in the out-patient, bedside, community and other clinical teaching sites

4.3 Library as a Learning Resource

4.3.1 Does the library have an Advisory Committee? Specify the composition of the committee. What significant initiatives have been implemented by the committee to render the library student/user friendly?

The Oxford College of Nursing has Library Advisory Committee following are the members

- | | |
|--------------------------|-----------|
| 1. Principal | Chairman |
| 2. Sr.Librarian | Secretary |
| 3. Library coordinator | Member |
| 4. HOD's from each Dept. | Members |
| 5. PG Student | Member |
| 6. UG Student | Member |

4.3.2 Provide details of the following:

- ❖ Total area of the library (in Sq. Mts.)-603
- ❖ Total seating capacity-110
- ❖ Working hours (on working days, on holidays, before examination, during examination, during vacation)
- ❖ Library Works from Monday to Friday 9.00AM to 8.30 PM

- ❖ Saturday 9.00 AM to 3.00PM
- ❖ On student request library works on holidays
- ❖ Layout of the library (individual reading carrels, lounge area for browsing and relaxed reading, IT zone for accessing e-resources)
- ❖ The Library provides a well ventilated and lighted space, each library member have the spacious and comfortable seating with partition between the seats to prevent disturbances. Absolute silence is insured by library staff.
- ❖ All the members have to access to the entire library resources without any categorization, the resources include Books, Journals, Dissertations, Digital resources ,Weekly, monthly magazines and News Papers. Rare collections including journals can be availed by the members with the in house reprographic facility.
- ❖ Clear and prominent display of floor plan; adequate sign boards; fire alarm; access to differently-abled users and mode of access to collection
- ❖ All the open access books are adjusted according to subject wise and the closed racks are cleaned regularly, curtains are provided to prevent dampness.
- ❖ The fire safety is provided in the entire library.
- ❖ List of library staff with their qualifications

S.NO	Name	Qualification	Designation
1.	Mr.Ramesha .J	M.Sc, M.L.I.Sc, M.Phil	Sr.Librarian
2.	Mr.Sunil.S.Kundaragi	M.L.I.Sc	Librarian
3.	Ms.Shantamma.A.H	D.L.I.Sc	Asst.Librarian
4.	Mrs.Prema	7 th Std.	Attender

MEMBERS:

LIBRARY ADVISORY COMMITTEE		
POST	NAME OF THE TEACHER	DEPARTMENT
CHAIRMAN	Prof.G. Thilagavathy	Principal
MEMBER	Mr. Ramesh	Chief. Librarian
MEMBER	Ms.Deepa	Tutor
MEMBER	Ms.Chinchu	B.Sc. (N)
MEMBER	Mr.Narayan	P.B.B.Sc (N)
MEMBER	Mr.Jibin Mathew	M.Sc. (N)

4.3.3 Give details of the library holdings:

- ❖ Print (books, back volumes, theses, journals)-
- ❖ Books-3125
- ❖ Back Volumes-204
- ❖ Theses-212
- ❖ Journals-09
- ❖ Average number of books added during the last three years-111
- ❖ Non Print (Microfiche, AV)-01
- ❖ Electronic (e-books, e-journals)-41
- ❖ Special collections (e.g. text books, reference books, standards, patents) - 1140
- ❖ Book bank - 96
- ❖ Question bank - Available

4.3.4 To what extent is ICT deployed in the library? Give details with regard to Library automation.

- ❖ Library fully Automated with e- Granthalaya software
- ❖ Total number of computers for general access -80
- ❖ Total numbers of printers for general access -02
- ❖ Internet band width speed □ 2mbps □ 10 mbps □ 1 GB
- ❖ 4mbps
- ❖ Institutional Repository - yes Content management system for e-learning participation in resource sharing networks/consortia (like INFLIBNET) - HELINET consortium

4.3.5 Give details of specialized services provided by the library with regard to

- ❖ Manuscripts
- ❖ Reference -1140
- ❖ Reprography / scanning- Available
- ❖ Inter-library Loan Service – Available
- ❖ Information Deployment and Notification - Available
- ❖ OPACS- Available
- ❖ Internet Access-Available
- ❖ Downloads-Available
- ❖ Printouts-Available
- ❖ Reading list/ Bibliography compilation-Available
- ❖ In-house/remote access to e-resources-Available
- ❖ User Orientation- Regularized
- ❖ Assistance in searching Databases-Yes
- ❖ INFLIBNET/HELINET- HELINET

4.3.6 Provide details of the annual library budget and the amount spent for purchasing new books and journals.

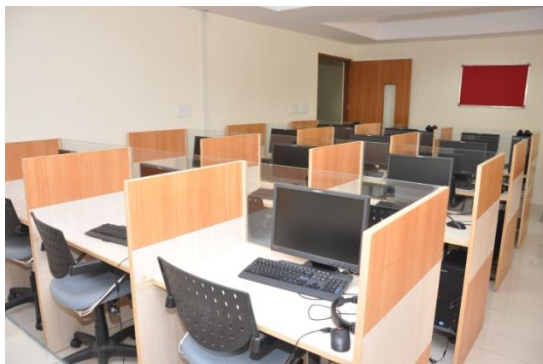

- ❖ Annual Budget
- ❖ Books-1,00,000/-
- ❖ Journals-1,65,000/-
- ❖ 0,000/-
- ❖ Total-2,85,000/-

4.3.7 What are the strategies used by the library to collect feedback from its users? How is the feedback analyzed and used for the improvement of the library services?

Library feedback analysed through library prescribed feedback Performa.

4.3.8 List the efforts made towards the infrastructural development of the library in the last four years.

4.4 IT Infrastructure

4.4 IT Infrastructure:

4.4.1 Does the institution have a comprehensive IT policy with regard to?

* IT Service Management

The College has a fully-fledged IT Facility center. The IT Center manages all IT services and develop IT infrastructure in the college.

- ❖ The IT Center maintains web server (internet facility) 24x7.
- ❖ All staff and students are given with Usernames and Passwords to use internet in internet lab and other departments.
- ❖ Presently following officers of IT center are managing the above services.
 - Head of IT center (1)
 - System Administrator (1)

* Information Security

The Web Server is well protected from virus attacks and installed by adopting hardware firewall. The Information Security is cared at IT Center.

Network Security

- ❖ The college has installed the hardware based Nevales Firewall systems for network monitoring and traffic regulations in LAN and WAN.
- ❖ The Firewall is configured to provide IP Address to each computer by using MAC binding and no other person can use the same IP Address to connect to the network.
- ❖ It has an ability to control blocking of Sites, viruses, adware, spywares, etc when any person tries to download data from internet.

❖ Risk Management

The College IT center has backup internet facility using USB dongle in case of internets failovers.

* Software Asset Management

Licensed software's and operating systems like Microsoft Windows XP Professional, Windows Server 2003 ENT, Windows 8.1 Enterprise, MS Office 2007, 2010, 2013, Norton Antivirus 12.1 corporate editions, etc.

* Open Source Resources

The college have installed the free software's like Adobe Reader, WinZip, blog spots over internet- oxfordnursing.blogspot.in and others software in the lab computers for the students to help in executing the information from internet

* Green Computing

This policy will be planned.

4.4.2 How does the institution maintain and update the following services?

- * Hospital Management Information System (HMIS)
- * Electronic Medical Records System (EMR)
- * Digital diagnostic and imaging systems including PACS

4.4.3 Give details of the institution's computing facilities i.e., hardware and software.

* Number of systems with individual configurations

1. LENOVO 7373- Intel Core 2 Dou Pro 2.93 GHz, 2GB DDR3 RAM, 160 GB Hard disk, 19' LCD Monitor, Keyboard and Optical Mouse – 77 Nos
2. DELL OPTIPLEX 380- Intel Core 2 Dou Pro 2.93 GHz, 2GB DDR3 RAM, 250 GB Hard disk, DVD RW, 18.5' wide LCD Monitor, Keyboard and Optical Mouse– 08 Nos
3. CONNAL- Intel P IV 1.5Ghz, 512 MB RAM, 40 GB Hard disk, Sony CD-RW, 17' Monitor, Keyboard and Optical Mouse– 01 Nos

* Computer-student ratio

In the form of 1:2 Ratio (160 students and 80 computers)

* Dedicated computing facilities

86 No's of computers are connected to internet in whole campus

* LAN facility

LAN Facility is provided for computers in entire campus for browsing, files sharing and printing.

* Wi-Fi facility

The college has installed the WIFI facilities for students to utilize the high speed broadband connection

* Proprietary software

Licensed software's and OME's like Microsoft Windows XP Professional, Windows 8.1 Enterprise, MS Office 2007, 2010, 2013, Norton Antivirus 12.1 corporate editions, etc.

* Number of nodes/ computers with internet facility

86 No's computers in Nursing College are given with internet facility in various departments details shown below:

SL.NO.	Departments	No. of Nodes
1	Principal	1
2	Vice Principal	1
3	Board Room	1
4	Office	1
5	HOD's	5
6	Staff room	2
7	Computer lab	40
8	English Lab	24
9	Library	11

*** Any other (specify)**

We are providing the coaching on English vocabulary & communication Skills for the students in Language lab using Wordsworth Software

4.4.4 What are the institutional plans and strategies for deploying and upgrading the IT infrastructure and associated facilities?

Institutional plans and strategies are:

- ❖ The institution is under process for upgrading of WIFI facilities in entire campus
- ❖ Infrastructure for video conferencing among other campuses
- ❖ Infrastructure for virtual class rooms with internet connections for live topics of videos, case studies, research methodologies, language skills, etc.

4.4.5 Give details on access to on-line teaching and learning resources and other knowledge and information database/packages provided to the staff and students for quality teaching-learning and research.

The college has provided:

- ❖ The Internet facility to the LCD Projector with Interactive board for teaching of on-line presentations, accessing e –journals.
- ❖ Videos, case studies from various sources, etc for the students.
- ❖ These enable quality teaching, learning, and research.
- ❖ The details of online e-journals available through HELINET consortium to the faculties and students are as follows.

SL:No.	Web-site Link	Resource name
1	www.sciencedirect.com	Science Direct
2	www.ovidsp.tx.ovid.com	Ovid
3	www.ncbi.nlm.nih.gov/pubmed	Pubmed

13	http://procedures.lww.com/lmp/turnaway.do	Wolters Kluwer

4.4.6 What are the new technologies deployed by the institution in enhancing student learning and evaluation during the last four years and how do they meet new / future challenges?

New technologies deployed by the college in enhancing the students learning and evaluation during last four years:

- ❖ High speed 4 Mbps broadband internet with WIFI facility in the college.
- ❖ The campus equipped with latest computer configuration with the new Operating system and applications which will be useful to students to learn through internet.
- ❖ The college has also implemented the Nevales Hardware firewall system for the high-level security both in LAN and WAN in the campus.

- ❖ The campus is well equipped with new Epson W10 projector with 6/4 ft automatic screen where it is further connected to Life Cam Video Live Camera for the PPT Presentations, Video conferencing and for the meeting purpose with principals, staff and students through various departments online in college boardroom.

4.4.7 What are the IT facilities available to individual teachers for effective teaching and quality research?

IT facilities available to individual teachers are computer/ laptop with Internet Connectivity, printer, and UPS. In the campus each staffrooms are equipped with LAN facilities and latest computer configurations.

4.4.8 Give details of ICT-enabled classrooms/learning spaces available within the institution. How are they utilized for enhancing the quality of teaching and learning?

YES, the campus is provided the High speed Internet connection for Interactive Board for Online presentations, live videos. Video films for personality development and language skills.

4.4.9 How are the faculty assisted in preparing computer-aided teaching-learning materials? What are the facilities available in the institution for such initiatives?

1. The college is provided desktop PC's with high speed broadband connections to Faculty members in their staff rooms to help them in preparing of course materials, lectures and updating their knowledge through internet.
2. The college is also enabled LAN connections in classrooms for faculties to provide quality teaching and conduct workshops with online live examples using LCD projectors for students.

4.4.10 Does the institution have annual maintenance contract for the computers and its accessories?

No, Computers and other accessories are maintained by college own.

4.4.11 Does the institution avail of the National Knowledge Network (NKN) connectivity? If so, what are the services availed of?

Yes, the institution have availed services from NKN.

4.4.12 Does the institution avail of web resources such as Wikipedia, dictionary and other education enhancing resources? What are its policies in this regard?

The college has provided

- ❖ The username and password to browse internet for students and faculty members to access online educational resources, Wikipedia, Google search, E-mail communication and others for the making of subject PPT's through internet for the academic .

- ❖ Web access is also provided for students to see their results, marks sheet, internet links of video on lectures, Nursing case studies and other sources through BlogSpot (<http://oxfordnursing.blogspot.in>).
- ❖ The college has blocked advertising and restricted sites, web materials, Facebook and twitter are blocked.

4.4.13 Provide details on the provision made in the annual budget for the update, deployment and maintenance of computers in the institution.

Substantial amount is provided in the annual budget for update, deployment and maintenance of computers in the college.

YEAR	AMOUNT (Rs.)
2010-11	2,08,000.00

4.4.14 what plans have been envisioned for the transfer of teaching and learning from closed institution information network to open environment?

The college is connected to IT center through campus network connected of Reliance broadband (DIA) link line. Internet facility is available round the clock.

4.5 Maintenance of Campus Facilities
