

Research Publications 2015-2016

1. **Mrs. E Selvi, Dr. M S Shashidhara**, published a Research paper titled “Localization and Detection of Attackers Using Dynamic Distance and Location Aware Detection (DDALD) Approach”, in International Journal of Applied Engineering Research (IJAER) http://www.ripublication.com/ijaer10/ijaerv10n9_220.pdf, pp. 24093-24104.
2. **Dr. M S Shashidhara** published a Research paper titled “A Simple Approach on web based classification of IOT using Data mining Techniques”, IJERP, Volume 1, Issue 1, eISSN: 2455-4278, pp 48-52.
3. **Dr. M S Shashidhara** published a Research paper titled “A Study on eye troubles using palm print of Image processing” in International Journal of Recent Trends in Engineering and Research, Volume:2 Issue:5 May 2016, eISSN: 2455-1457.
4. **Dr. M S Shashidhara** published a Research paper titled “Enhancement packet Dropping Algorithm and Neighbour node cluster strategy for intrusion detection in Image” in Institution of Electronics and Telecommunication (IETE) Journal, eISSN: 0377-2063.
5. **Moradiya Gautam Labhubhai** published a Research paper titled “Automated Grade Anatomization System for Colleges And Scholars” in International Journal Of Engineering Research And Publications (IJERP) Journal, volume 1, Issue 6, June 2016.
6. **Divya shree** published a Research paper titled “Advanced Strategy Assistance Tool With Automation” in International Journal Of Combined Research And Development (IJCRD) Journal, volume 5, Issue 6, June 2016.
7. **Abdul Anam Ansari** published a Research paper titled “Online Payment Gateway and Social Media Plugin and Integration” in IJCRD Journal, volume 5, Issue 6, June 2016.
8. **Abhishek Maheshwari** published a Research paper titled “An automatic email frame work with website outage and one time positive identification generation” in IJCRD Journal, volume 5, Issue 6, June 2016.
9. **Akib Javed** published a Research paper titled “Public Integrity user group auditing revocation” in IJCRD Journal, volume 5, Issue 6, June 2016.
10. **Ananya Saha** published a Research paper titled “Influential business vicinity manager with reports” in IJCRD Journal, volume 5, Issue 6, June 2016.
11. **Md Arman** published a Research paper titled “Central Implicit concept Storming Tool” in IJCRD Journal, volume 5, Issue 6, June 2016.
12. **Mohammed Atif S** published a Research paper titled “Advance Multifaceted Substantiation Solutions with Tools” in IJCRD Journal, volume 5, Issue 6, June 2016.
13. **Atindra Kumar Nath** published a Research paper titled “QUERY: Home implementation of GCM Notification and Widget composition” in IJCRD Journal, volume 5, Issue 6, June 2016.
14. **Chithra.P** published a Research paper titled “Versatile Portion Rule Designed Agenda Tool” in IJCRD Journal, volume 5, Issue 6, June 2016.
15. **Dhameliya Piyush Kumar** published a Research paper titled “Innovation Hub To View Statistical Data Of An Accommodation” in IJCRD Journal, volume 5, Issue 6, June 2016.
16. **Deepak Jangid** published a Research paper titled “Cloud Based 24x7x365 skill e-branding interface” in IJCRD Journal, volume 5, Issue 6, June 2016.
17. **Durgaprasad** published a Research paper titled “Advance brand accelerator with pact metric” in IJCRD Journal, volume 5, Issue 6, June 2016.
18. **Gayetri Mali** published a Research paper titled “Prognostic Value-Oriented For Community” in IJCRD Journal, volume 5, Issue 6, June 2016.
19. **Gayithri R** published a Research paper titled “Integrated business accomplices process design tool” in IJCRD Journal, volume 5, Issue 6, June 2016.
20. **Guruduth Y D** published a Research paper titled “Strategic graphical regulation board interface provider” in IJCRD Journal, volume 5, Issue 6, June 2016.

21. **Sk Jakir Hossain** published a Research paper titled “Human Content Management Online Leave System” in IJCRD Journal, volume 5, Issue 6, June 2016.
22. **Dhameliya jatin bharatbhai** published a Research paper titled “Reciprocal privileged situated application that contributes convenience way to train the employee in an organization (GAIN-TECH)” in IJCRD Journal, volume 5, Issue 6, June 2016.
23. **Khusubu kumari** published a Research paper titled “EasyHost:An Integrated platform for Web Hosting” in IJCRD Journal, volume 5, Issue 6, June 2016.
24. **Manesh D** published a Research paper titled “Prime Table Reservation Using Bootstrap, Angular JS & Firebase” in IJCRD Journal, volume 5, Issue 6, June 2016.
25. **Meenakshi M** published a Research paper titled “Client dependability manager with graphs” in IJCRD Journal, volume 5, Issue 6, June 2016.
26. **Nayan Kumar Rajeshbhai Kadecha** published a Research paper titled “Dashboard for admin and end user for virtual learning system” in IJCRD Journal, volume 5, Issue 6, June 2016.
27. **Neha Mahto** published a Research paper titled “Jeeves CRM an Android Application for Technician and Management” in IJCRD Journal, volume 5, Issue 6, June 2016.
28. **Faldu Nikunj Kumar**, published a Research paper titled “Jeeves CRM an Android Application for Technician and Management” in IJCRD Journal, volume 5, Issue 6, June 2016.
29. **Garala Nishant** published a Research paper titled “An Online Systematize Model To Oversee Cluster” in IJCRD Journal, volume 5, Issue 6, June 2016.
30. **Kumar Nishikant** published a Research paper titled “Cloud App for service request implementation and Transaction” in IJCRD Journal, volume 5, Issue 6, June 2016.
31. **Pooja Shetty** published a Research paper titled “Employee Productivity Tracker” in IJCRD Journal, volume 5, Issue 6, June 2016.
32. **Pradeep R** published a Research paper titled “Web Slanting news expand on Bootstrap 3.3.4v I’m out-sub admin Module” in IJCRD Journal, volume 5, Issue 6, June 2016.
33. **Premprakash Patidar** published a Research paper titled “Stock SMS service & web application” in IJCRD Journal, volume 5, Issue 6, June 2016.
34. **Priyanka K** published a Research paper titled “Automated Citation with simultaneous organization Mechanism” in IJCRD Journal, volume 5, Issue 6, June 2016.
35. **Ragini N** published a Research paper titled “Industrial Proposed standards Regulator and Developer” in IJCRD Journal, volume 5, Issue 6, June 2016.
36. **Ramya B** published a Research paper titled “Diagnostic Segmentation Creator With Optimization Analyzer” in IJCRD Journal, volume 5, Issue 6, June 2016.
37. **Ravi Kiran** published a Research paper titled “Controlled and secured corporate associate with encryption” in IJCRD Journal, volume 5, Issue 6, June 2016.
38. **Ravi Verma** published a Research paper titled “Flower species classification using random forest Classifier” in IJCRD Journal, volume 5, Issue 6, June 2016.
39. **Ravi kumar** published a Research paper titled “3D India 3D Project Printing and Scanning- Admin module” in IJCRD Journal, volume 5, Issue 6, June 2016.
40. **Sachin S** published a Research paper titled “Complete College Online Administration Management System” in IJCRD Journal, volume 5, Issue 6, June 2016.
41. **Dudhat shailesh kumar** published a Research paper titled “Company Automation System” in IJCRD Journal, volume 5, Issue 6, June 2016.
42. **Sneha S** published a Research paper titled “Binary File Reader Application for Analyzing Flight Data” in IJCRD Journal, volume 5, Issue 6, June 2016.
43. **Sulekha shetty** published a Research paper titled “Laghu Udyog Bharti(LUB)Karnataka Admin Module” in IJCRD Journal, volume 5, Issue 6, June 2016.
44. **Sumathaja ND** published a Research paper titled “Book my trainer-a web portal integrated with data interpretation and decision making using analytics” in IJCRD Journal, volume 5, Issue 6, June 2016.
45. **Suresh babu** published a Research paper titled “Secured platform with organizational tools Integration” in IJCRD Journal, volume 5, Issue 6, June 2016.
46. **Md Tanweer alam** published a Research paper titled “Planned prerequisite resource hopping manager” volume 5, Issue 6, June 2016.

47. **Vinita sharma** published a Research paper titled “E Commerce Website for Organic Products Built on Majento Framework- Admin Module” volume 5, Issue 6, June 2016.
48. **Mansuriya vishal bipin bhai** published a Research paper titled “PARINAM: Advanced Automated Result Survey Portal For Educational Institutions”, volume 5, Issue 6, June 2016.
49. **Shah Brijesh** published a Research paper titled “International Journals of Technical Research and Publications” volume 5, Issue 6, June 2016.

Research Publications 2014-2015

1. **Dr. M S Shashidhara, Prof. Dharamvir** published a Research paper titled “An Approach of E-Waste Management System in Internet on Things” in IJSR Journals , Vol 4, Issue 1, ISSN:2319-7064 in January 2015.
2. **Dr. M. S Shashidhara, C P jaini**, “Privacy preserving Third Party Auditing in Multi Cloud Storage Environment”, IEEE Cloud Computing in Emerging Market, 2014- International conference; DOI: 10.1109/CEEM.2014.7015495, Publication Year: 2014 , Page(s): 1 – 6 <http://ieeexplore.ieee.org/xpl/articleDetails.jsp?arnumber=7015495>.
3. **Prof. Dharamvir** published a Research paper titled "A Simple approach on Web based Classification of E-Waste Data through Internet on things” in IJCRD Journals eISSN-2321-225x, Vol 3; Issue 6, December 2014 Pp 115-119.
4. **Hemanth C, Ushasree R**, “Network Inspection Tools”, International Journal for Scientific Research & Development (IJSRD), Volume 3, Issue 3, May 2015.
5. **Kiran Manjunath Hassan, Ushasree R**, “Community Portal Application”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 4, May 2015.
6. **Kiran V Bhat**, “The Advanced SAS-70 Type II Data centric Business Application Developer and Publisher”, International Journal of Combined Research and Development (IJCRD), Volume 4, Issue 4, May 2015.
7. **Khuva Santosh Mahendrabhai**, “Reinforcement of utilization for end user credentials in gymnastics”, IJCRD, Volume 4 , Issue 5, May-2015.
8. **Jagadish K V, Ushasree R**, “Secured Mobile Health Monitoring Using Cloud Computing” , International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
9. **Kankotiya Madhavi G**, “Web Based Skill Set And Analysis Enhancement Tool”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
10. **Jesmi V Joy, Ushasree R**, “Ecommerce Script Manager”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
11. **Jesmi V Joy, Ushasree R**, “Centralized perpetual industry manager with forecasting and pipeline”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
12. **Kalwadi Kranti**, “Analytical Collaboration With Concept Maps”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
13. **Ashish M.G, Saritha S**, “Collaborative Poject Work-Platform With Encryption And Statistics”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
14. **Arun Kumar, Saritha S**, “Smart Society Services”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
15. **Atique Ahmed**, “Swift Statistic Examiner with Packet Generator and Distribution Graphs”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
16. **Bambhaniya Suresh, Saritha S**, “Interactive Social Networks For Movies-Provides Personalized Movie Recommendations & Platform To Share-Engage”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
17. **Anusha S P**, “Resource Planning Tool With Charts and Reports”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
18. **Balachandra M**, “Chinese Wok Using iOS Technology”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
19. **Balwant Singh**, “Leads Tracker and Analyzer With Secure SSL”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 4, May 2015.
20. **Aruna M S**, “Migration Project for Oracle 11g to MYSQL Server”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
21. **Asha H N**, “Detailed Accessibility and Optimization Poisoning Analyzer”, International Journal for Scientific Research and Development (IJSRD), Volume 3, Issue 3, May 2015.
22. **Nisha Sharma**, “Business Brainpower Organizational Mechanism and Assistance”, IJSRD, Volume 3, Issue 3, May 2015.
23. **Noel Sebastian**, “Web recipes a web development portal”, IJCRD, Volume 4, Issue 5, May 2015.
24. **Noor Zohara**, “Cloud Content Management With Process Bench Marking”, IJSRD, Volume 3, Issue 3, May 2015.
25. **Padmahasa M**, “Advance Corporate Prospect Facilitator and Manager Suit”, IJSRD, Volume 3, Issue 3, May 2015.
26. **Papori Kalita**, “Retail/Buyer Analytics Of Online Shoppers Using Hadoop”, IJSRD, Volume 3, Issue 3, May 2015.

27. **Patel Sunilkumar Maganbhai**, “E-Kirana Store With Android Application”, IJSRD, Volume 3, Issue 3, May 2015.
28. **Pramod Choyal**, “Zingohub Ecommerce With Market Place And Crowd Funding”, IJSRD, Volume 3, Issue 3, May 2015.
29. **Prasada**, “Advance Forensic Imaging Using Compression Methodologies”, IJSRD, Volume 3, Issue 3, May 2015.
30. **Panchani Jaydeep KishorBhai**, “Understanding the Strategy and Requirements for Supply Chain Management of an organization”, IJCRD, Volume 4, Issue 5, May 2015.

66. **Sawan Kr Sinha, Malarvizhi U**, “Capital Analytics with Bookkeeping”, IJSRD, Volume 3, Issue 3, May 2015.

67. **Saptarshi Saha**, "Advance Business Process Transformer Suit With Graphical Reports : Case Study", IJSRD, Volume 3, Issue 3, May 2015.
68. **Sambasiva**, "EDU Cloud Information", IJSRD, Volume 3, Issue 3, May 2015.
69. **Sakhiya Naitik**, "Android Habitude Assessment Utilization For Bachelor Of Medicine And Bachelor of Surgery", IJSRD, Volume 3, Issue 4, May 2015.
70. **Shivakumar, Malarvizhi U**, "Analyzer With Network Forensics And Notification", IJSRD, Volume 3, Issue 3, May 2015.
71. **Shibajyothi**, "SaaS based work panel with tools", IJSRD, Volume 3, Issue 3, May 2015.
72. **Meghraj, Mridula Shukla**, "Point of sales Interfaces for Business Process Automation system", IJSRD, Volume 3, Issue 3, May 2015.
73. **Prashanth M.C, Mridula Shukla**, "Automatic Medical Disease Treatment System using Data Mining", IJSRD, Volume 3, Issue 3, May 2015.
74. **Abhilash, Mridula Shukla**, "Hosted Management Tool With Effective Analysis", IJSRD, Volume 3, Issue 3, May 2015.
75. **Abinitha Rajanna, Mridula Shukla**, "Performance Analyzer and Manager Tool with Reconciliation", IJSRD, Volume 3, Issue 3, May 2015.
76. **Agila S, Mridula Shukla**, "Data Capture System Using Image Processing Techniques", IJSRD, Volume 3, Issue 3, May 2015.
77. **Ajay Kumar Agrawal, Mridula Shukla**, "ASQ IIS App Manager", IJSRD, Volume 3, Issue 3, May 2015.
78. **Amit Kumar Sinha, Mridula Shukla**, "Secure Advance Monitoring Empowerment Tool", IJSRD, Volume 3, Issue 3, May 2015.

Poster Publications

- ❖ **Ushasree and KiranSrivastava** presented a poster titled "Designing Secure Systems using AORDD methodologies in UML Systems" in the 7th Annual KSTA Conference on "Science, Technology & Production" on 5th and 6th February 2015 at The Oxford College of Science, Bangalore.
- ❖ **Parimala and Sweta K** presented a poster titled "Detection of Vulnerabilities in Network connected Servers" in the 7th Annual KSTA Conference on "Science, Technology & Production" on 5th and 6th February 2015 at The Oxford College of Science, Bangalore.
- ❖ **Saritha and Malarvizhi** presented a poster titled "A Dynamic En-route Filtering Scheme for Data Reporting in Wireless Sensor Networks" in the 7th Annual KSTA Conference on "Science, Technology & Production" on 5th and 6th February 2015 at The Oxford College of Science, Bangalore.
- ❖ **Mridula shukla** presented a poster titled "Mapp-Sentinel cloud computing based Forensic Analysis for Massive Mobile Applications using Data Mining" in the 7th Annual KSTA Conference on "Science, Technology & Production" on 5th and 6th February 2015 at The Oxford College of Science, Bangalore.
- ❖ **Dharamvir and Dr. M. S. Shashidhara** presented a poster titled "Big Data Analytics in E-Waste Management for Real Time Applications" in the 7th Annual KSTA Conference on "Science, Technology & Production" on 5th and 6th February 2015 at The Oxford College of Science, Bangalore.

Research Publications 2013-2014

1. **Mr. Lingaraj Sajjan** presented and published a paper titled "Skynet Test Based Approach for Increasing Security" at NCCIP-14 at T. John College of Engineering on 9th May 2014.
2. **Ms. Kruthika.B** presented and published a paper titled "Gesture Recognition of Sign Language and Audio Conversion" at NCCIP-14 at T. John College of Engineering on 9th May 2014.
3. **Mr. Keerthi N** presented and published a paper titled "Robotics in Cloud for Education" at NCCIP-14 at T. John College of Engineering on 9th May 2014.
4. **Mr. Bharath L** presented and published a paper titled "Recovery of Data from USB devices by Logical Technique" at NCCIP-14 at T. John College of Engineering on 9th May 2014.
5. **Mr. Manoj Kumar. D** presented and published a paper titled "I-Spy:Remote Object Camera Controller" NCITSF-14 at Jain University, Bangalore on 9th May 2014.
6. **Mr. Kiran Kumar K.N** presented and published a paper titled "Enhancement of Data Migration" at National Conference on Recent Advances on Electronics and Communication at New Horizon College of Engineering on 23rd May 2014.
7. **Mr. Kulbhushan Shah** presented and published a paper titled "Preventing Private Information Inference Attacks on Social Networks" at National Conference on Recent Advances on Electronics and Communication at New Horizon College Of Engineering on 23rd May 2014
8. **Ms. Swati Sinha** published a Research paper titled "Secure Authentication of Distributed Networks by Single Sign-On" in IJIRSET, Volume 3, Issue 4, April 2014, http://www.ijirset.com/upload/2014/april/67_Secure.pdf

9. **Ms. E.Sireesha** presented and published a paper titled “Secure Outsourcing and Threats in Cloud Computing by Linear” at IEEE National Conference on Electrical and Electronics Engineering, NCEEE-2014 at The HKBK College Of Engineering on 5th June 2014.
10. **Ms. Jayanthi Serena J.S** presented and published a paper titled “Material Gate Pass Information System” at IEEE National Conference on Electrical and Electronics Engineering, NCEEE-2014 at The HKBK College of Engineering on 5th June 2014.
11. **Mr. Sreekanth P.** presented and published a paper titled“ Cloud Mobile Gaming: Working of Latency, Cost and Energy” at the NCFCA-2014 at TOCE on 25th June 2014.
12. **Mr. Divyesh Dhokiya** presented and published a paper titled “Enterprise Resource Planning Implementation Critical Success Factors” at IEEE National Conference on Electrical and Electronics Engineering, NCEEE-2014 at The HKBK College of Engineering on 5th June 2014.
13. **Mr. Manish Majumder** presented and published a paper titled “Oracle code quality platform” under the able guidance of Prof. Malharvizhi at IEEE National Conference on Electrical and Electronics Engineering, NCEEE-2014 at The HKBK College of Engineering on 5th June 2014.
14. **Ms. Momita Mondal** and **Mr. Hasmukh Maniya** presented and published a paper titled “GRN Approval mechanism in ORACLE EBS” at IEEE National Conference on Electrical and Electronics Engineering, NCEEE-2014 at The HKBK College of Engineering on 5th June 2014.
15. **Mr. Manjesh K** presented and published a paper titled “Dynamic Resource Allocation using Virtual machines for cloud computing environment” at NCCIP-14 at T. John College of Engineering on 9th May 2014.
16. **Ms. Veni Reddy N.** presented and published a paper titled “Artificial Vision System Technology” at IEEE National Conference on Electrical and Electronics Engineering, NCEEE-2014 at The HKBK College Of Engineering on 5th June 2014.
17. **Ms. Asma Anjum** presented and published a paper titled “Leveraging smart phones for automatic image tagging” at T. John Institute Of Technology, NCCIP-14 on 9th May 2014.
18. **Mr. Bharath L** presented and published a paper titled “Recovery of data from USB DEVICE BY Logical Technique” at T. John Institute Of Technology, NCCIP-14 9th May 2014.
19. **Mr. Fahim Basha M** presented and published a paper titled “Skynet Trust based Approach For Increasing Security” at T. John Institute Of Technology, NCCIP-14 9th May 2014.
20. **Ms. Divyashree M** presented and published a paper titled “Cloud Mobile Gaming: Working of latency, cost, energy” at T. John Institute Of Technology, NCCIP-14 9th May 2014.
21. **Ms. Bhavya S** presented and published a paper titled “Apache Cassandra” at New Horizon College Of Engineering, National Conference on “Recent Advanced in Electronics & Communication” on 23rd May 2014.
22. **Ms. Deepthi S** presented and published a paper titled “Survey on Different Password techniques for Accessing cloud services” at HKBKCE, VTU-Belgaum & IEEE – HKBKCE Students Chapter NCEEE-2014 on 5TH June 2014.
23. **Mr. Sripad Naik** presented and published a paper titled “Hadoop Distributed File system Reliability with name node and backup mechanism” under the guidance of Prof. Saritha S. at New Horizon College of Engineering, National Conference on Recent Advances in Electronic and Communication 23rd May 2014.
24. **Mr. Suhass Patil, Mr. Suman** presented and published a paper titled “Mobile Computing Smarter and faster” under the guidance of Prof. Saritha S. at New horizon college of Engineering, National Conference on recent advances in electronic and communication on 23rd May 2014.
