

7.3 Institutional Distinctiveness

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust

Provide the web link of the institution in not more than 500 words

Good infrastructure.

The world in which we live today is comfortable because of engineering feats and inventions. The field is vast and the application is enormous from the transport system to internet, from daily tools to sophisticated heavy industries, from medical instruments to basic research across the world.

With a vision to be a respected and sought after group of education institutions, the college is very much engaged in equipping individuals to be capable of building learning organization in the new millennium.

The Oxford College of Engineering is one of the most prestigious institutions in Bengaluru that provides quality teaching and training in professional courses in various streams of Engineering, post graduate programs in Technology (M Tech), Computer Application (MCA) and in Business Administration (MBA) and Research (Ph.D).

The college has a dedicated and highly qualified team of faculty who offer Quality education to the students as per the academic scheme of VTU. The Oxford College of Engineering offers 10 Under Graduate programs including B Arch, 10 M Tech programs, MBA, MCA & 12 Research Centre leading to Ph D / M Sc. in Engg.

The college campus is set in a sprawling 6.25 acres of land, ideal for education in a serene environment with buildings over 65,000 sq.meters of built-up area spread over floors for academic purposes. The college is situated along Information Technology corridor in National Highway towards Electronics City (N.H. 7), 1.0 km from the silk board.

In front of the oxford college of engineering metro station work-in progress. This helps students for the easy transportation.

The other infrastructure facilities available are as follows:

- RO Drinking Water Facility
- Food court
- Health Centre
- Sewage Treatment Plant (2 Lac Lts)
- Rain water Harvesting
- Solar Power
- Surveillance
- Centralized Air conditioning
- Round the Clock Security
- Campus Management System
- Transportation
- Bank
- ATM
- Oxford Metro Station in front of college
- Digital Payment Initiation
