

## **Department of Information Science & Engineering** **The Oxford College of Engineering**

**Computer Society of India (CSI)** is the first and largest body of computer professionals in India. It was started **on 6 March 1965** by a few computer professionals and has now grown to be the national body representing computer professionals. Through the initiatives of **Professor Rangaswamy Narasimhan**, the first President, CSI has been in close liaison with International Federation for Information Processing (IFIP) since its inception in 1965, when observers from India attended the IFIP Council meeting. Computer Society of India, Bangalore Chapter (CSI-BC) is amongst the largest and most vibrant chapters of CSI. Programs conducted by CSI-BC have been benchmark programs for other chapters of CSI and event managers alike. Many industry stalwarts are associated with CSI-BC.

### **Vision**

- IT for masses
- Oldest Computer Professional body.
- 66 Chapters, 381 Student Branches, 40,000+ members
- Brings quarterly journals, monthly communication and local newsletter
- CSI has International affiliations with IEEE-CS, IFIP, SEARCC, etc.
- Bangalore chapter hosts & supports about 50+ events in a year.

### **Mission**

- Capable of making a difference to the community through IT and be a trusted advisors to the IT Policy makers.
- Provide Value add to sponsors, Delegates, students, IT and membership.
- Educate IT users on appropriate usage (safe, secure, legal and ethical) of IT.

### **CSI Student Branch of The Oxford College of Engineering:**

- CSI student branch in The Oxford College of Engineering was started during 2009 by then HOD-ISE Dr.D.Jayarmaiah. Our CSI Institutional Membership number is I00666. Various activities like Expert lecturers / workshops have

been done under CSI student branch for the benefits of the student community, which is helpful in their career growth. In planning student branch programs for the year, it is important to keep in mind, events where students are highly engaged. There are 188 Student members and few Professional members representing CSI.

- The Professional members of CSI are:  
Dr. D. JAYARMAIAH– Senior Life Member & Ex-Management committee member-Bangalore, Chapter .  
Dr. K. VINODHA- Member, Department of ISE, TOCE.  
Mr. KARTHIK S L – Coordinator & Member, Department of ISE, TOCE.  
Mr. YADHUKRISHNA- Student Membership Development in-charge, Department of ISE, TOCE.

### **Special Benefits for CSI Student Members:**

- 10-20% discount on all CSI hosted events like conferences, expert lecturers.
- 20% discount on membership of IEEE Computer Society (IEEE-CS).
- CSI Communications " (monthly) and CSI Journal (quarterly).
- CSI promotes and provides financial support for research work in contemporary areas in IT and Computer Science.
- State wise Student Conventions are conducted annually to promote student participation.
- Young IT Professional Awards programme conducted at regional and national levels.
- Access to local library, student counseling on request, academic projects for students.
- Oracle offers special discount on OLN course to CSI Student members.
- Newsletters and CSI Communication & Journal carrying technical articles are free for members.
- A platform to network with IT professionals.
- Citibank has planned to offer a discount of 50% on the first year subscription to all senior members of the Society.
- Kanwal Rekhi School of IT at IIT, Powai, Mumbai offers a discount to all CSI members for their distance education programme.

## **Recent Student Chapter Activities:**
