

### 5.1.3 Number of capability enhancement and development schemes

#### 4. Remedial coaching

The Oxford College of Pharmacy offers remedial coaching for weak students and slow learners. These students are identified by the subject teachers, mentors and class teachers on the basis of marks interactions in the class during both theory and practical's. Test, internal assessments, viva, year end exams are taken to consider to extend the facilities of remedial coaching to the needy students. Many students were benefited through these remedial classes.
