## A REPORT ON WORKSHOP

### INTELLECTUAL PROPERTY RIGHTS & TRADITIONAL KNOWLEDGE

HELD ON 30<sup>th</sup> MARCH 2015 at The Oxford College of Pharmacy, Bangalore.

A report on workshop on **INTELLECTUAL PROPERTY RIGHTS & TRADITIONAL KNOWLEDGE** held on **30<sup>th</sup> MARCH 2015** at The Oxford College of Pharmacy, Bangalore. Dr. Padmaa M. Paarakh, Principal The Oxford College of Pharmacy, Bangalore, Welcomed Sri. S. Narasa Raju, Chairman, The Oxford Group of Institutions, & Sri S. N. V. L. Narasimha Raju, Executive Director, The Oxford Group of Institutions & delegates to the Workshop & the objectives of the workshop in the field of Pharmacy.

Dr. Padmaa M Paarakh, Organizing Secretary welcomed the delegates with the comment on the Present **INTELLECTUAL PROPERTY RIGHTS & TRADITIONAL KNOWLEDGE** and also the progress made for Traditional Knowledge. She also stated that purpose of the workshop was to provide an interactive forum for the delegates to share the experiences with learned speaker for uplifting professional values of IPR & traditional knowledge in India. Ms. Banasri Das, Assistant Professor, presented vote of thanks in the inaugural function.

There were over 42 participants from our college. The speaker Dr. Kambhoja, Professor & HOD, Faculty of Pharmacognosy, The Oxford College of Pharmacy, discussed in detail about various **INTELLECTUAL PROPERTY RIGHTS & TRADITIONAL KNOWLEDGE** for herbal drugs. Dr. Kambhoja, detailed about IPR & Traditional Knowledge. Intellectual property refers to the protection of creation of mind which has both a moral and a commercial value. Intellectual Property Rights are the rights given to the persons over the creation of their mind: usually give the creator an exclusive right over the use of his/her creations for a certain period of time. The effective and enforceable system for protection of IPR promotes the innovation in science by promoting strong incentives to authors and innovators to create intellectual assets. The workshop aimed to create IPR awareness among the teachers, student teachers and young intellectuals about the beneficial aspects of patenting their creative and novel ideas, inventions etc... Such awareness would in turn be highly essential for the promotion of creativity, research and technical advancements and publications in the market. At the end of the talk, Delegates discussed with the speakers on present and future Prospects of Herbal drugs in India.

In the concluding remarks, Dr. Padmaa M Paarakh, Convenor conveyed her gratitude to all participants, particularly Chairman, staff & participants in her capacity as workshop Organizing secretary. Ms. Banasri Das, Assistant Professor, presented vote of thanks in the Valedictory function.

## A REPORT ON WORKSHOP

### “INTELLECTUAL PROPERTY RIGHTS & PATENTS”

HELD ON 11<sup>th</sup> MARCH 2016 at The Oxford College of Pharmacy, Bangalore.

A report on workshop on “INTELLECTUAL PROPERTY RIGHTS & PATENTS” held on 11<sup>th</sup> MARCH 2016 at The Oxford College of Pharmacy, Bangalore. Dr. Padmaa M. Paarakh, Principal The Oxford College of Pharmacy, welcomed Sri. S. Narasa Raju, Chairman, The Oxford Group of Institutions, Sri S. N. V. L. Narasimha Raju, Executive Director, The Oxford Group of Institutions and delegates to the Workshop and expressed the importance and the objectives of the workshop.

Dr. Kambhoja, Organizing Secretary welcomed the delegates in his speech compared the Present “INTELLECTUAL PROPERTY RIGHTS & PATENTS” also the progress made IPR & PATENTS. Mrs. Jyotshna Devi, Assistant Professor, presented vote of thanks in the inaugural function.

There were over 35 participants from our college. The speaker Dr. Padmaa. M. Paarakh, Principal, Department of Pharmacognosy, The Oxford College of Pharmacy, discussed in detail about various “INTELLECTUAL PROPERTY RIGHTS & PATENTS” for herbal drugs. Intellectual Property is the term given to the productions of original intellectual or creative activity. It is a tangible or communicable result of literary, artistic and scientific endeavour and can be intellectual, material or cultural products. Intellectual Property Rights (IPR) are the legal rights that exist in those productions. India has become a member of the global patent regime by signing TRIPS and recently the Madrid protocol but awareness and proficiency on the subject in academic institutions is still scarce. The amount of money spends on R&D in India every year is very huge while the patents filed in India by locals is only 20% of the total filed patents. After speech given by the speaker, the floor was open for interaction where delegates discussed with the speaker on case study of two plants products filed for patent.

In the concluding remarks, Dr. Kambhoja, Professor & HOD, conveyed his gratitude to all participants, particularly Chairman & participants in his capacity as seminar Organizing secretary. Mrs. Prathyusha Segu, Assistant Professor, presented vote of thanks in the Valedictory function.
