**Subject: Appointment letter for Question Paper Setting of Annual Examination (Theory):
I Year Pharm D**

The undersigned is pleased to request you to set the question paper through the link provided by PES University for the I YEAR PHARM D program as detailed below:

Faculty of	Faculty of Pharmaceutical Sciences
Course Code	UP22PD141
Course Title	Human Anatomy & Physiology
No. of Question Papers	One
Max. Marks	70
Time (Minutes)	180

- Please set 5 questions with a max. of 5 sub-questions; the questions shall represent the syllabus uniformly and clearly indicate if handbooks / graph sheets / Smith Charts, etc. to be provided.
- All questions are compulsory to the students.
- A question paper without "Scheme & Solution" is liable for rejection.
- The question paper is required to be set through the link sent.
- Ensure that the question paper along with scheme and solution reaches the Office of Controller of Examinations before the closing hours of 30th June, 2023.
- Please contact Office of COE for any clarifications.

Thanking you and with regards,

Deputy Controller of Examinations

INSTRUCTIONS TO PAPER SETTERS FOR THE PREPARATION OF SCHEMES AND SOLUTIONS

1. The objective of preparation of scheme and solution is to ensure a uniform valuation among the evaluators.
2. The extent of solution should not exceed the enclosed four pages / sheets and should indicate the expected important points/ steps / graphs / drawings / circuits / figures / calculations/ tables and final numerical answers along with the marks allocation for each of these.
3. Please bear in mind that the students have to complete the answers for question papers within 3hrs and answer SIX full questions.
4. The allocation of marks shall be an indicator, for the student, for the extent of answers expected.
5. Marks could be allocated for step-wise development of concepts / answers / figures / circuits / graph / exactness / accuracy in numerical values / units / calculations.
6. The figures / drawings and views / circuit diagrams that are part of answers shall also be given in solution to ensure that the same is being uniformly evaluated by all the examiners.
7. Answers shall not be in the form of references / citations where authors name / title of the book / chapter numbers / page numbers / paragraphs / figures etc.
8. A scheme & solutions does not mean the splitting of final marks into its component parts (example 2 + 2 + 4 + 2). It has to clearly show the expected answers / response for each component.
9. A scheme and solution which merely shows the component marks is liable to be rejected.
10. Whenever problems are given, make sure you give all the relevant data from the data handbook to avoid the issue of hand book / Tables / Charts etc.
