Subject: Regarding the Internal Assessment grievances for the academic year 2022-23

Respected Madam,

In order to maintain transparency and fairness in sessional examination, the Dean examination would review the process in consultation with central grievance redressal committee. Whereas if any grievances pertaining to sessional examination are reported and will be routed to central grievance committee and same will be addressed by central grievance committee.

Whereas, for the academic year 2022-23, upon evaluating all the sessional examination, there were no major grievances reported pertaining to sessional examination. However, there were few pertaining to retotaling which were not grouped into major grievances.

From,

Gm.

Dr. G. Nagalakshmi,

Associate Professor,

Dean Examination,

The Oxford College of Pharmacy,
