4.1.2 The institution has adequate facilities for cultural activities ,sports , games (Indoor,Outdoor)

Gymnasium , Yoga centre etc

The college has sufficient space and infrastructure to conduct sports and cultural activities for the students and staff along with academic activities. The students are encouraged to participate actively in these activities. We have auditorium with 692 square meter area to conduct all cultural and indoor sport activity for our institution students every year and for outdoor sports activities we have a playground. We have all sports materials for the students so that they can play whenever they have time after college working hours. Our college students are encouraged to participate in intercollege, university, state and national and international level sports activity.
