S.NO	CAPACITY DEVELOPMENT PROGRAMME	NAME OF THE EVENT
1	SOFT SKILLS	CAPACITY BUILDING AND FINDING OPPORTUNITIES IN SCIENTIFIC AND INDUSTRIAL RESEARCH
		SOFT SKILL TRAINING PROGRAM ON PLANNING AND CONDUCTING RESEARCH
		SKILL ENHANCEMENT PROGRAM ON LEARNING, INNOVATION, CURRENT UPDATE AND FUTURE OPPORTUNITIES IN PHARMA
		SOFT SKILL TRAINING PROGRAM ON HANDS ON TRAINING ON BROOKFIELD VISCOMETER
		SOFT SKILL ON RESUME WRITING
		GUEST LECTURE ON FINANGIAL LITERCY
2	LIFE SKILLS (YOGA, PHYSICAL FITNESS, HEALTH AND HYGIENE, SELF-EMPLOYMENT AND ENTREPRENEURIAL SKILLS	LIFE SKILLS PROGRAM ON AWARENESS SESSION ON USAGE OF A MENSTRUAL CUP
		GUEST LECTURE ON POSITIVE HUMAN BEHAVIOUR AND HAPPINESS
		LIFE SKILLS PROGRAM ON MENSTRUAL HEALTH AND HYGIENE
		LIFE SKILLS PROGRAM ON BASIC LIFE SUPPORT (BLS)
		LIFE SKILLS PROGRAM ON INTERNATIONAL YOGA DAY OF 2023
3	LANGUAGE AND COMMUNICATION SKILLS	ENGLISH LANGUAGE CLASS
		KANNADA LANGUAGE CLASS
		HOW TO MAKE YOURSELF MORE COMPETITIVE IN THE JOB MARKET
		HOW TO MAKE A GOOD FIRST IMPRESSION AT WORK
		MASTERING PUBLIC SPEAKING
4	ICT COMPUTING SKILLS	ICT PROGRAM ON USE OF SOCIAL MEDIA TOOLS AND SOFTWARE FOR RESEARCH
		ICT PROGRAM ON USE OF AUTODOC
		ICT PROGRAM ON DESIGN OF EXPERIMENTS
		ICT PROGRAM ON CYBER SECURITY AND SAFER USAGE OF SOCIAL MEDIA

PREAMBLE

This Guest Lecture was organised by department of pharmacology. The guest lecture was given by Dr. Azeez Ali Khan, Business head, CO guide Research Simplified and explained in details about opportunities in scientific and industrial research. The program was inaugurated by Principal Dr. Padmaa. M. Paarakh and a small talk was given by Dr. Noopur Srivastava. The guest has talk about the opportunities of research in Industries. 122 students participated in the session. The speaker attached immense respect to the idea of research and explained how good research facilitates in the development of the society. He also emphasized on the fact that good research should be socially relevant and of contemporary nature. The speaker further highlighted as to the attributes and duties of a critical scholar and how the same would affect the quality of research. Some of such attributes includes being scientifically faithful with the research, objectivity, potential to edit the document and ensuring proper acknowledgement of the sources from which relevant ideas have been taken for carrying out the research. The speaker explained all the aspects with the help of illustrations and examples that provided a clearer understanding to the students with regard to the various concepts that were discussed. The speaker also exemplified on the different types of research methods which includes Prognosis research, Creative research, Experimental research and Prescriptive research. He explained the concept of internal and external criticism in research which is highly critical for a research scholar. The lecture was concluded on a very important note i.e. the different headings to be mandatorily present while preparing a research proposal. The speaker mentioned that a Research scholar must always highlight the importance of the research topic as it signifies his/her expression of work and vote of thanks was given by Dr. Venkata Karthik Kumar Reddy, Assistant Professor, Department of Pharmacology. At the end of the session the feedback was taken from the participants.

PREAMBLE

A workshop on the topic “Planning and Conducting Research” was organised by Department of Pharmacognosy, IIC, The Oxford College of Pharmacy, Bengaluru. The guest speaker of the day was Dr. Murali Mohan Reddy, Co-founder, and CEO, Co-Guide. The workshop started with an inaugural address by Dr. Padmaa M Paarakh, Principal, The Oxford College of Pharmacy. Dr. Padmaa extended her warm welcome to the participants and resource person of the webinar. She gave a brief introduction of the college, courses and facilities provided to the students. Ms. Sravani T, Assistant Professor, Department of Pharmacognosy, The Oxford College of Pharmacy introduced the resource person of the day and read out a brief biodata of Dr. Murali Mohan Reddy, Co-founder and CEO, Co-Guide which was as follows, Dr. Murali has completed his masters in epidemiology from University of London, M. Med (Master of medicine) in Family medicine from CMC Vellore and MD in community medicine from PGI (Postgraduate Institute of Medical Education and Research), Chandigarh. He has presided over 100 plus research methodology workshops across India and mentored more than 1000 biomedical research projects. He is currently working on projects “risk and determinants of respiratory morbidity among stone sculptors, a community based retrospective cohort study and incidence and factors influencing the falls among rural elderly, a community based cross sectional study” (both funded by ICMR). Dr. Murali is highly experienced in designing and execution of biomedical research in wide range of settings. Credited with mentoring and provision of technical support to more than 1100 research projects of various levels. He is on a mission to create new age technology solutions to make the research execution easy and accessible.

Objectives of the workshop: The workshop was organized for B. Pharm, Pharm D, and M. Pharm students and faculty of The Oxford College of Pharmacy.

- The objective of the webinar is to create new age technology solutions to make the research execution easy and accessible.
- In the present scenarios there is a strong need for researcher centric technologies; to make research easy, transparent and solution driven, to address real world problems.
- This workshop has been designed to be practical with lectures, to provide skills, encourage participation and exchange information. Each topic for discussion of the workshop was chosen keeping in mind the future of the students who are committed towards research.

Keep this in view a one-day workshop was organised to the students of all the courses of The Oxford College of Pharmacy which can make their research journey easy and meaningful. The workshop was attended by around 120 members which includes 110 students of various courses and 10 faculty form various departments.

Conclusion, feedback and vote of thanks.

- The objective of the webinar was to make the research simplified which was achieved.
- The topics of the session were explained by taking practical examples.
- Finally, the participants were made aware of the mysterious area which is unresolved.

Feedback was taken from the participants which helps to improve the quality of the sessions conducted in future. This was followed by a vote of thanks from Dr. Padmaa M Paarakh, Principal, The Oxford College of Pharmacy. She thanked the speaker for justifying the topic taken and increasing the knowledge of the students on the topic of Planning and conducting research. Finally, the session was ended with a valedictory function by presenting certificates to few students and a memento was presented to the speaker by Principal, Dr. Padmaa as a token of appreciation. Mrs. Sravani ended the workshop by a vote of thanks. She thanked the speaker on behalf of The Oxford Group of Institutions, Principal, Dr. Padmaa M Paarakh and the entire fraternity of The Oxford College of Pharmacy.

PREAMBLE

Workshop on “SOFT KILL TRAINING PROGRAM ON HANDS ON TRAINING ON BROOKFIELD VISCOMETER” in association with ASPIRE INC., was organized by Department of Pharmaceutics, The Oxford College of Pharmacy on 25/02/23 from 10:00 A.M to 2:00 PM. Mr. RAHUL MISHRA was the key speaker of the workshop. The programme was attended by 100 members including students and faculty from various colleges and all attended the workshop and practically trained by the professionals at The Oxford college of Pharmacy. Dr Padmaa M Paarakh, Principal, The Oxford college of Pharmacy welcomed the gathering and the Guest speakers.

THE CONTENT DELIVERED IN THE WEBINAR IS AS FOLLOWS:

Workshop on – “SOFT KILL TRAINING PROGRAM ON HANDS ON TRAINING ON BROOKFIELD VISCOMETER” in association with ASPIRE INC, was an interactive and practical deliverance about the Brookfield viscometer. The workshop accurately given the participants the knowledge of how to handle Brookfield viscometer which is used to measure viscosities of various dosage forms like gel, pastes, creams etc., as well as interpretation of the flow curve. The participants had a very good exposure on latest versions, make and models, technologies, different types of viscometers, viscosity method development, calibration used in measuring the viscosity. Additionally, the programme also had an open discussion regarding challenging cases which was very useful for the participants

PERMEABLE

A session on '**SOFT SKILL ON RESUME WRITING**' was conducted on the 07/01/2023 in auditorium by Mr. **Sandeep Kumar M** was the Facilitator for the Seminar. Mrs. Nagalakshmi R, from the Department of Pharmacology were present. The seminar was attended by 100 students from final year B. Pharm, M. Pharm and Pharm D. The purpose of the seminar was to give an idea about the Curriculum Vitae, Resume and formats. Mr. Sandeep Kumar M started the session with simple question of the difference between a resume and curriculum vitae. The answer helped to clarifying the doubts of students that whether as a fresher one has to write a resume or a CV.

Trainer gave a general guideline on writing a resume which is as follows:

Mr. Sandeep Kumar M explained the three formats of career summary statement viz. chronological, functional or a combination of both. Students were given the task to write a cover letter and email to Mr. Sandeep Kumar M. Lastly feedbacks were taken from the students for the session.

PREAMBLE

One day financial literacy session was organized by The Oxford College of Pharmacy, Bangalore, for I year B. Pharmacy and Pharm D students to make them aware about Financial Planning and its important aspect in every one life. The Resource persons for the session was Mr. Deepak Puri, Business Process Lead, Tata Consultancy Services, Bangalore. He said that everyone earns money in their life time but very few of them achieve financial freedom & the reason behind this is nothing but lack of proper financial planning. He discussed the various steps which are need to be followed while doing a financial planning such as identifying the short term & long term financial goals to achieved income capacity & liabilities. He said that one must also consult a certified Financial planner. He also spoke about various financial products, which are available. which could help us in achieving financial goal such as Share market' Insurance, Mutual Funds, SIP, Fixed Deposits, PPF etc. He also explained we need to review our financial plan every 3 to 5 years and see whether it is working accordingly or not. At last, we had question answer session in which many of the students cleared their doubts. Through the Lecture, the students understood the various concepts of financial planning like Inflation, Actual Cash Value etc.

PREAMBLE

The Oxford College of Pharmacy, NSS Committee, IQAC, Bangalore organized awareness session on A MENSTRUAL CUP for the students. As offline session became a part of the process, the event was organized in 5th floor health center. There were 145 students for this event from The Oxford College of Pharmacy. Ms. Harshanisha, Business partner at Tuqqin, Bangalore delivered lecture.

The content delivered in the webinar is as follows:

The programme commenced at 10:30 A:M and was concluded at 12:30 P:M. The welcome speech was delivered by Mrs. Nagalakshmi R, the NSS programme coordinator. Dr. Padmaa M Paarakh, Principal of The Oxford College of Pharmacy welcomed the resource persons and the delegates. The speaker was very interactive with students so that the students could ask their doubts. The most exciting feature about this class is that it has indeed changed the perception of students about menstrual cups. She taught everyone about the usage and benefits of menstrual cups. When the awareness class was over, the distribution of menstrual cups started outside the class room. The price of each menstrual cup was sold at discounted price. So, the students were able to take advantage of this opportunity. Mrs. Nagalakshmi R, Assistant Professor, TOCP delivered the vote of thanks and the gathering dispersed at 12.30 pm.

OUTCOME OF THE PROGRAMME

The programme was conducted to create additional awareness and importance of using menstrual cups. With the concept of Menstrual cup as a novel technology to manage and maintain menstrual flow/hygiene among the females and as a new method which may replace the traditional methods of menstrual sanitation. Therefore, it was important to spread awareness to the students regarding the use of menstrual cups since it is not fully known to them, including its usage and potential effectiveness. Hence, with this need to educate the girls and women regarding hygienic practices and intertwined with empowerment and social development by the end of the session students were able to understand menstrual cup can be sustainable alternative to the sanitary napkin considering it has a negative impact on environment and at the same time financially viable considering its durability.

PREAMBLE

The alumni committee, The Oxford College of Pharmacy, Bangalore, organized a session for I year B. Pharmacy and Pharm D students involving two video talks and one short video clip on 09/05/2023. The talks were titled, 'POSITIVE HUMAN BEHAVIOUR AND HAPPINESS'. The first session was a video talk of Dr. Naveen S. His talk involved debunking of various myths in the field of positive human behaviour one of the largest contributors to the development and establishment of the field of Positive Psychology. His talk dealt with topics dealing with the positive side of human behaviour and happiness. A small video clip was also shown to the students regarding the state of mental health and other statistics regarding mental illness in India.

OUTCOME OF THE PROGRAMME

The session was conducted to help the students to understand Positive reinforcement can also strengthen undesirable behaviours. The session helped them to understand that what really boosts well-being, such as strong relationships, engaging work, gratitude, kindness, mindfulness, and purpose. They understood the importance of giving time to cultivate these traits and behaviours and doing so consistently can help foster happiness on a daily basis.

PREAMBLE

The Oxford College of Pharmacy, NSS Committee, IQAC, Bangalore conducted the session on “Menstrual health of female and hygiene for zero profit” for the students. There were totally 145 participants who included faculties and students. A special virtual session on Menstrual health of female and hygiene for zero profit was organized by NSS Cell, The Oxford College of Pharmacy on 19/01/2023. Research Associate, Vidya R of Global Hunt Foundation, Bangalore and Ms. Roshnee Bhowmick CSR executive conducted a virtual session for the girl students. The virtual session was conducted through MS Teams. She had conducted 90+ talks on Menstrual health of female and hygiene for zero profit. The talk was addressed to female students of The Oxford College of Pharmacy. The entire program was coordinated by Assistant professor Mrs. R. Nagalakshmi. Mrs. Nagalakshmi R, gave a warm welcome to members of Global Hunt Foundation and the speaker Ms. Roshnee Bhowmick. Global Hunt Foundation has a number of branches across the globe and is a not-for-profit organization, registered under The Indian Companies Act 1956. A session on Menstrual Health and Hygiene Training was conducted by their corporate client Unicharm India. Unicharm India has conducted menstrual hygiene training for girls in various schools/colleges across India, under the CSR initiatives of the company. Unicharm India is a leading Japanese firm in India, existing in the market with the names of Sofy and Mamypoko pants. The session was very informative for the girls which gave them a comprehensive understanding on the what, why and how of menstruation. It consisted of the meaning of menstruation, developing biological understanding, related social taboos and awareness regarding hygiene practices to be maintained during menstruation. At the end of the session all the queries of the students were satisfied by Ms. Roshnee Bhowmick. Ms Roshnie Bhowmick had been connected by MS Teams and she created awareness among all the ladies present in the gathering. Speaker spoke about some crucial aspects related to menstruation and to maintain hygiene during menstrual cycle. She gave information regarding different stages of period's right from Menarche to Meno Pause. The talk was very effective, as it gave more importance to how to tackle with Menstrual cycle, what are different sanitary napkins available and also gave insights about how to use them. At the

end, the feedback was collected from the students about the talk and program ended in 1 hour. Students were delighted when speaker said Menstruation is not a Taboo any more. The entire session was interactive one and technical support team had done the great job in making Virtual Talk a successful. This programme is arranged to share the knowledge on the topic "MENSTRUAL HEALTH AND HYGIENE" by Ms. Roshnee Bhowmick. The overall organization and deliverance of the webinar was helpful and satisfied the participants.

OUTCOME OF THE PROGRAMME

The programme was significantly started to create awareness in women regarding menstrual health and hygiene. This programme was arranged to share the knowledge on the topic Menstrual Health and Hygiene to the students. The topic covered various aspects on Menstruation cycle, the physiological & psychological changes that happen during menstrual cycle. There were many questions put forth by the students which were clarified by the resource person. The event was organized for creating social awareness among women of different age groups to educate them on Menstrual Hygiene & Wellness. The overall organization and delivery of the webinar was helpful and satisfied the participants.

PREAMBLE

The Oxford College of Pharmacy, NSS Committee, IQAC, Bangalore organized training session on "LIFE SKILLS PROGRAM ON BASIC LIFE SUPPORT (BLS)" for the students. As offline session became a part of the process, the event was organized in 5th floor health center. There were 120 students for this event from The Oxford College of Pharmacy. Dr. Nagindra, Narayana Hrudayalaya, Bangalore delivered lecture referred by Babu Rao Talwar, Sr. Supervisor - CSR Project Dept, Billion Hearts Beating Foundation – Bangalore

The content delivered in the webinar is as follows: Basic Life Support, or BLS, generally refers to a level of medical care which can be provided by trained medical personnel, including emergency medical technicians, paramedics, and by qualified bystanders for victims of life-threatening illnesses or injuries until they can be given full medical care at a hospital. The Oxford College of Pharmacy, NSS Committee, IQAC, Bangalore organized one day Basic Life Support session on 04/05/2023 from 10:30 am to 12:30 pm, which was conducted by Billion Hearts Beating (BHB) Foundation is a not-for-profit organization started in April 2010 by Apollo Hospitals, with the objective of providing healthcare and health awareness to the underprivileged communities in India. The sessions were started at 10:00am, in 5th floor class room with introductory session by Mrs. Nagalakshmi. R. Dr. Padmaa M Paarakh, Principal of The Oxford College of Pharmacy welcomed the resource persons and the delegates. The delegate delivered the session and informed regarding pediatric BLS, foreign body removal for infants and children and a basic knowledge regarding adult CPR and foreign body aspiration removal was demonstrated with the help of student volunteers. Feedback was obtained from the delegates and the delegates assured that they shall utilize the skill gained whenever and wherever needed in the clinical setting and they also addressed that the programme was highly beneficial to them. At the end of the session, certificate was distributed to the students. Mrs. Nagalakshmi R, Assistant Professor, TOCP delivered the vote of thanks and the gathering dispersed at 12.30 pm.

OUTCOME OF THE PROGRAMME

The programme was to create awareness regarding pediatric BLS, foreign body removal from infants and children and a basic knowledge regarding adult CPR and foreign body aspiration removal. The training in Basic life support for healthcare providers (BLS) was demonstrated with the help of student volunteers. The session was very informative where hand on training regarding CPR was demonstrated.

PREAMBLE

The Oxford College of Pharmacy, NSS Committee, IQAC, Bangalore conducted the session on "INTERNATIONAL YOGA DAY" for the students and teaching faculties. As offline session became a part of the process, the event was organized in 4th floor health center. There were 23 students for this event from The Oxford College of Pharmacy. MR. VIVEKANAND SAWARKAR, Sahaja yoga trainer, Head Corporate Quality, Strides Pharma Science, Bangalore delivered lecture on "Sahaja yoga and meditation technique". The content delivered in the webinar is as follows: MR. VIVEKANAND SAWARKAR thanked Mataji Nirmala Devi for rediscovering sahaja yoga as holistic health care for people and this session helped us to focus on awakening the dormant primordial energy (Kundalini energy), whereby a flow of subtle cool cosmic vibrations in the body was achieved which nourished and rejuvenated each and every cell of the body. The event was ended with Q & A session where the participants asked few doubts regarding the Do's and Don'ts.

REPORT ON

ENGLISH LANGUAGE CLASS FOR ENHANCING LANGUAGE SKILL FOR THE YEAR 2022-2023

Need for language skills development:

Students would feel difficulty in understanding different subjects in their curriculum. Many individuals were lagging behind in writing simple sentences in English. Students with moderate and weak English speaking and writing skills were identified and trained them to improve their English language for better understanding of subject.

Objective of English language program:

- To impart adequate speaking, reading and writing skills in students.
- To use English as a communicating language in curriculum
- To develop and create interest in English as a language of day-to-day life.

Methods developed to improve language skills:

Weak and moderate students were segregated into two groups based on their coping abilities with language learning. They were given formal training by English teacher in English lab word worth software. Intensive training was provided on correcting grammatical errors.

Outcome of program:

Overall, the program has been great success. From the point of student view, they have improved both writing and reading skills. All those 30 students who have attended the course exhibited improved skills in listening and writing English.

OUTCOME OF THE PROGRAMME

The programme was organised to make students to understand regarding the various career paths available upon completion of pharmacy course. The session provided information regarding creating the opportunities and the various skills required to compete in the job market and a general idea regarding preparation for job interview. The session helped the students to understand that strategy for job candidates to remain competitive in today's marketplace is only to focus on showcasing their soft skills and adaptability.

PREAMBLE

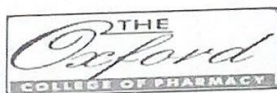

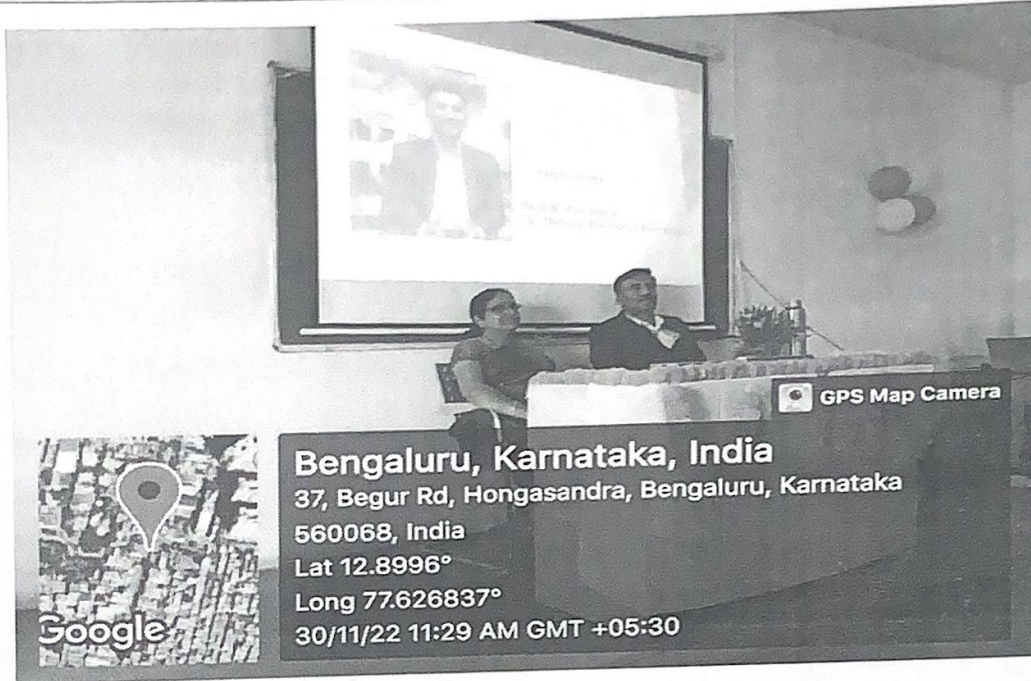

This Guest Lecture was conducted by Department of pharmacology, and explained in details about the benefits of the social media tools and software in research. The program was inaugurated by Principal Dr. Padmaa. M. Paarakh. The guest talk was given by **Dr. K M Ravi Kumar**, Director, The Oxford Group of Institutions. The Guest explains the importance of social media in research. Social media platforms play an increasingly important role in research, education, and clinical practice. As an inseparable part of open science, these platforms may increase the visibility of research outputs and facilitate scholarly networking. Social media platforms are essential for dissemination of information and engagement of scholars in science communication. With upgrades of online tools and the emergence of various digital technologies over the past decade, it has become easier to generate online information and reach scholars worldwide. Various digitized items, including articles, books, images, and videos, have become common objects for knowledge dissemination and professional discussion on specially designed networking sites. Students, researchers, and journal editors are now offered a wide variety of public and closed networking sites for voicing their concerns, learning, and undertaking research. The global market of drugs and medical technologies has also embraced the emerging opportunities to expand their online presence and actively promote various products. Vote of thanks was given by Mrs. Nagalakshmi, Assistant Professor, Department of Pharmacology. At the end of the session the feedback was taken from the participants.

OUTCOME OF PROGRAMME:

The program outcome was to make students understand the benefits of social media in research and gain knowledge about the various ways in which social media can aid research, such as recruiting participants, sharing and disseminating findings, networking with other researchers, staying up-to-date on relevant literature and news, additionally, participants could learn about the potential drawbacks and limitations of relying solely on social media for research purposes and best practices for effectively and ethically utilizing social media in a research context. The ultimate goal was to make students comprehensively understand how social media can enhance research efforts and advance knowledge in various fields.

PERMEABLE

This workshop was conducted by Dr. Jyoti Shrivastava, HOD, Department of pharmaceutical chemistry and explained in details about the benefits of this software. Software is aimed for pharmacy and chemical engineering undergraduate students. The software can also be used by the students of paramedical courses such as nursing, medical laboratory technology and physiotherapy etc. 86 students attended the session. This is a computer assisted learning package containing various programs which helps in molecular docking. and these programs can be used to demonstrate molecular modelling and molecular interactions. The package is user friendly, highly interactive which make simulation appear realistic. The teacher told students that, it can be used by IV B. Pharm and M. Pharm students in the regular practical's. The program was inaugurated by Principal Dr. Padmaa. M. Paarakh and vote of thanks was given by Mrs. Suvarna Lakshmi, Assistant Professor, Department of Pharmaceutical Chemistry. At the end of the session the feedback was taken from the participants.

BELOW ACTIVITIES CAN BE PERFORMED USING AUTO DOCK VINA:

- By using this software, we can analyse different types of docking including site-specific, blind docking, protein-ligand, etc.
- Besides docking, Auto dock Vina (Auto dock Tools) helps in editing protein and ligands including their structure modifications.
- It is also used to screen large or small libraries of molecules.
- It is easily accessible on Linux as well as on Windows.
- The GUI of Auto dock Tools helps can be used to visualize interactions between the receptor and the ligand.
- It can be used to analyse the docking results.
- Easy conversion of PDB to PDBQT format.
- It is used to perform rigid as well as flexible docking.
- Easy analysis of virtual screening results.

OUTCOME OF THE PROGRAMME

The session was conducted to help the students to understand the concept of molecular docking, to demonstrate molecular modelling and molecular interactions. This software tries to address by creating comprehensive and high-quality model documentation in minutes. The Auto Dock feature helped the student to understand how it frees up the user from the time-consuming task of documenting and summarizing their workflow.

PREAMBLE

A workshop on **Design of Experiments** was held on **24th JULY 2023**. At 9.00 A.M, registration of delegates for seminar started. Inaugural function started at 9:30 A.M and was anchored by Mrs. Divya Kumar, Assistant Professor, The Oxford College of Pharmacy, Bangalore. In inaugural function, Dr. Padmaa M Paarakh, Principal, The Oxford College of Pharmacy, Bangalore, welcomed, Sri S. N. V. L. Narasimha Raju, President, Children's Education Society(R) in his absence. She also welcomed Mr. Zaheer Abbas, Senior Scientist, Apotex Pharma. Ltd., Bangalore and Dr. Gururaj Kulkarni, Prof.& HOD, The Oxford College of Pharmacy & Organizing Secretary of the workshop. Over 40 delegates including teachers and students of The Oxford College of Pharmacy, Bangalore attended the workshop. Mr. Zaheer Abbas had given a presentation on "Optimization Techniques in Pharmaceutical Research and Development". A tea break followed after the inaugural session. Scientific session started after tea break. At 11:00 AM, Mr. Zaheer Abbas, Senior Scientist gave an over view of Quality by design. Design expert software, a QBD software was installed personally by all the details after instruction by Mr. Zaheer Abbas He explained all the features of the software and step by step usage of Design expert software by using some examples. At 12.30 P.M. lunch break was given. In afternoon session, at 01.30 P.M, all the participants used the QBD software as explained, clarified their doubts and showed the results to Mr. Zaheer Abbas. The session was ended by 3:30 PM Valedictory function commenced at 3:45 PM. Dr. Padmaa M Paarakh, Principal, The Oxford College of Pharmacy, Bangalore presided over the function. Mr. Zaheer Abbas was the guest of honor, Dr. Gururaj Kulkarni, Professor and organizing secretary were present. Dr. Padmaa M Paarakh addressed the gathering and praised about the seminar and acknowledged the contributions and encouragement given by The Oxford Institutions. Certificates were distributed to all the participants and memento was given to the Mr. Zaheer Abbas, senior scientist. Dr. Gururaj Kulkarni, Professor presented vote of thanks and conveyed his gratitude to all participants and Mr. Zaheer Abbas as Organizing Secretary. Valedictory function was concluded at 5:00 PM.

PREAMBLE:

Safer Internet Day takes place in February of each year to raise awareness of a safer and better internet for all, and especially for children and young people. As part of this annual celebration, The Oxford college of Pharmacy encourages everyone including students and staff and parents for safe surfing of internet and social media. 101 students participated in the session. 7 February 2023, was observed globally as Safer Internet Day (SID) – This worldwide annual campaign promoting a safe digital environment for children and young people. This year 2023 marks the 20th anniversary of Safer Internet Day. This Seminar on “Cyber Security and Safer Usage of Social Media”, to celebrate Safer Internet Day aims to create both a safer and a better internet, where children and young people are empowered to use digital technology responsibly, respectfully, critically and creatively. Playing games online can not only be a fun and engaging experience but also bring many opportunities to children and young people. Online gaming can enhance creativity, digital skills and help to connect with friends and fellow gamers. In addition, playing online games can encourage developing new skills, sparking interest in reading and writing or becoming creators of online games. On the other hand, excessive online gaming can become a threat to their wellbeing and health, hence the need for resources and materials to inform children and young people, as well as their careers, of how to manage their online gaming experiences so that it becomes a fun and safe activity. The speaker of the seminar Prof. Dharamvir extensively covered the topic with detailed introduction of the cyber security issues encountered so far. He elaborated Privacy of Data, Data Mining, Virus and Malware Attacks, Virus and Malware Attacks, Legal Issues, etc. He also pointed out Risks & Challenges, like Identity Theft, Romance Scams, Whistle-blowers, Cyber Stalking, Cyber Bullying, Cyber Terrorism. The organizer Dr G Parthasarathy concluded the program with vote of thanks. He thanked chairman Shri S.N.V.L Narasimha Raju, The Oxford Group of Institutions, Dr. Padmaa M Paarakh, Principal, and to all the other faculties and students who participated in the event and helped in its successful completion of the event.

OUTCOME OF THE PROGRAMME

The session was observed to create awareness regarding various cybercrime, students were informed that use of social media has become a prime target for cybercrime. All organizations should take appropriate measures to be cyber-safe, and users, too, should protect their personal information to avoid any misuse. Cyberspace is becoming a significant area for crimes, so there is a need for comprehensive collaboration among nations to work together and combat these social network crimes and social media cyber-attacks, which are a continuously growing menace. Students were very much impressed after the speak and asked and get clarified many doubts. Everyone appreciated the topic selected for discussion and also expected more seminars in this kind.
