### PREAMBLE

The Oxford College of Pharmacy has conducted a Guest Lecture on "IMPORTANCE OF WRITING GPAT EXAM AND ITS BENEFIT TO THE STUDENTS" by Dr. Dinesh Neeradi, Director, Masters Academy, Hyderabad for the students of Pharmacy IV year on 31/10/2022, at The Oxford College of Pharmacy, Bangalore. The students participated in the session and they were influenced by the speaker of Dr. Dinesh Neeradi for his knowledge and presented contents.

#### Summary:

- Dr. Dinesh explained students not to stop their education at B. Pharmacy level. Encouraged them to pursue M. Pharmacy by saying that M. Pharm graduates have a wide range of work opportunities and career paths to choose from.
- He mentioned that Admission in to Pharmacy course in Karnataka state is based on entrance exams like GPAT and PGECET. However, there are some seats may be allotted based on the marks secured by a candidate in his/her graduation under management quota.
- Dr. Dinesh explained about GPAT exam as one of the main competitive examination which have multiple advantages, where he mentioned that;
- Student will be eligible to apply to the premier institutes of India like ICT, BITS Pilani, NIPER, IIT BHU, Other Universities and Affiliated colleges. etc.
- The exam is conducted for admissions to 24000 seats of M. Pharm programs offered by as many as 841 pharmacy institutes across the country.
- Student will be eligible for MHRD (Ministry of Human Resource Development), Govt. of India scholarship for doing masters degree.
- Student will be eligible for a monthly stipend of Rs 12,400.
- If the student is research oriented, they can get an admission for Ph.D on the basis of the GPAT score provided you take admission just after PG. In that case, your GPAT score will be valid for 3 years.
- JRF (Junior Research Fellowship) - student can join in a project of Pharmaceutical Sciences and related subjects.
- Pharmacist - GPAT is not for entry into the job of "Pharmacist" but if you have qualified

### PREAMBLE

Student orientation programme are initiated for the integration of the newly admitted students. The Program began with the general Induction Program at The Oxford College of Pharmacy, Bangalore auditorium. The Orientation Program was organized for the first B. Pharm and Pharm D students. It was one-week Program conducted started from 21/09/2022. Day 1 commenced with the general introduction about The Oxford College of Pharmacy by our Principal Dr. Padmaa M Paarakh. It was followed by the Session on Academic details. She outlined on the rules and regulations of the institution, curricular aspects, detail about the examination patterns which includes both continuous and internal assessment. Afternoon session was about the student's introduction which was handled by the class coordinators. Day 2 started with the introduction to different departments. Mrs. Uma Prabha, Class Coordinator gave an outline about the Pharmaceutics department followed by Ms. Vishnupriya explained about the Pharmaceutical Chemistry and Dr. Noopur Srivastava gave brief information on the department of Pharmacology. Communication skills session was handled by Mrs. Uma Prabha, Department of Pharmaceutics. Day 2 sessions came to an end with the language assessment by Ms. Jessy Koshy, Assistant Professor, The Oxford College of Engineering Bangalore. Scope and opportunities of pharmacy were elaborated by the placement officer Dr. Vikram on Day 3. Dr. Padmaa M Paarakh detailed on the department of Pharmacognosy. Student teacher interactive meeting was held to give an outline about the student council and various club activities. Dr. Padmaa M Paarakh interacted with the students on the general rules and code of the institution. The Class coordinators described on the learning skills to be acquired by the students on day 4. Dr. Parthasarathy gave an introductory session on Department of Pharmacy Practice and the employment opportunities for Pharm D students. During this program, students had one on one interaction with class coordinator with their bio-data. The session ended up with the collection of feedback.

### PREAMBLE

The Oxford College of Pharmacy, has organized a one-week Orientation Programme for students newly joining the M. Pharm Programme. The event began with an inauguration on 30/11/2022. The main aim of this event was to warmly welcome and introduce the new batch of aspiring pharmacists to the academic community. During the program, students received important information, guidance, and inspiration for their upcoming educational journey. The Inaugural Function was graced by Dr. K M Ravi Kumar Chief Guest at the event. Dr. Padmaa M Paarakh, Principal, The Oxford College of Pharmacy, presided over the function, emphasizing the university's dedication to nurturing future pharmaceutical professionals.

The program started with a warm welcome for the incoming students, who were filled with enthusiasm and curiosity, by Dr. K M Ravi Kumar, Director, The Oxford College of Pharmacy. He shared his valuable insights into pharmaceutical research and development, the growth of the Indian pharmaceutical industry, and the promising opportunities for pharmacists in the field of medical devices and more. He also shared his personal experiences, challenges, and successes, motivating the students to explore and contribute to advancements in healthcare and medicine while emphasizing the importance of innovation and entrepreneurship. Dr. Padmaa M Paarakh, in her presidential address, highlighted the significance of pursuing higher education in pharmacy and its role in building a rewarding career in the healthcare industry. She also stressed the importance of extracurricular and co-curricular development alongside regular academic growth. The Orientation Programme concluded on a positive note, with the students feeling excited and well-prepared to begin their academic journey in the esteemed M. Pharm Programme at The Oxford College of Pharmacy. The guidance and encouragement from the distinguished guests further fueled their determination to excel in their studies and make a positive impact in the field of pharmacy. The Inaugural Programme ended with a Vote of Thanks by Mrs. Chanda Ranjan, Coordinator of the Orientation Programme, 2022.

### PREAMBLE

Student orientation programme are initiated for the integration of the newly admitted students. The program began with the general induction program at The Oxford College of Pharmacy, Bangalore auditorium. The Orientation Program was organized for the first B. Pharm and Pharm D students. It was a one-week program conducted from 21/09/2022. Day 1 commenced with the general introduction about The Oxford College of Pharmacy by our Principal Dr. Padmaa M Paarakh. It was followed by the session on academic details. She outlined on the rules and regulations of the institution, curricular aspects, details about the examination patterns which includes both continuous and internal assessment. Afternoon session was about the student's introduction which was handled by the class coordinators. Day 2 started with the introduction to different departments. Dr. Gururaj S Kulkarni, gave an outline about the pharmaceutics department followed by Dr. Nagalakshmi G explained about the Pharmaceutical Chemistry and Mrs. Bhavani gave brief information on the department of Pharmacology. Day 2 sessions came to an end with the language assessment by Ms. Jessy Koshy, Assistant Professor, The Oxford College of Engineering Bangalore. Scope and opportunities of pharmacy were elaborated by the placement officer Dr. Vikram and on Day 3. Dr. Padmaa M Paarakh detailed on the department of Pharmacognosy. Student teacher interactive meeting was held to give an outline about the student council and various club activities. Dr. Padmaa M Paarakh interacted with the students on the general rules and about code of the institution. The Class coordinators described on the learning skills to be acquired by the students on day 4 Dr. Parthasarathy gave an introductory session on Department of Pharmacy Practice and the employment opportunities for Pharm D students. During this program, students had a one on one interaction with class coordinator with their bio-data. The session ended up with the collection of feedback.
