PREAMBLE

Independence Day is one of the proudest and prestigious day for every Indian and it is celebrated throughout India in every corner of the country on 15th August every year. The theme for this year's celebration is "Nation First, Always First". This theme is in line with the government's focus on national unity and development. Independence Day is celebrated by every citizen of India irrespective of caste, creed and religion. The Oxford College of Pharmacy, Bangalore celebrated 76th Independence Day, which is themed "Nation First, Always First" with great enthusiasm on 16th August 2022.

In line with the government's focus on national unity & development. The Oxford College of Pharmacy all the faculty members and students assembled at the entrance and was addressed by the Principal Dr Padmaa M Paarakh, followed by HOD's of various departments. Ms Yuktha. represented the students and shared her views on theme. There were 80 participants.

All the faculty members and the students uploaded the selfies and photographs with their family while hoisting the flag and celebrating the Independence Day.

Our Principal Dr Padmaa M Paarakh appreciated the effort of making "har ghar tiranga" concept and congratulated the faculty members for uploading the photos and enjoying the Independence day with the family and cheering for India in the Photos..

Dr Jyoti Shrivastava, Head of the Department from Pharmaceutical Chemistry also appreciated the effort taken by the faculty members in celebrating the Independence Day in the Tiranga theme.

Few students prepared posters and the enthusiasm among them waving the Indian flag truly shows the proud feeling of a patriotic citizen.

PREAMBLE

The Oxford College of Pharmacy, Cultural Committee, IQAC, Bangalore celebrated "Teachers's day" on 5th September 2022. Mrs. SURINDER KAUR, Assistant Professor, Department of Pharmaceutics. Initiated the celebration of the program along with students.

The content of the Session:

"Teacher's Day 2022" celebration was organized by The Oxford College of Pharmacy, Bangalore on 5th September 2022.

On this day, students around the country pay their respects and express gratitude, love and respect to their teachers and professors. Many cultural events are also organised by the students to entertain and give their teachers a day to remember. Speeches on why we celebrate Teachers' Day and how Dr. Sarvepalli Radhakrishnan contributed to society was given by UG and PG students belonging to department of pharmacy.

The teacher's day celebration started with inviting the Principal and the teachers for the function through an invitation card. The function started with a welcome speech by Mr. Kushan Raj P the class representative of final B Pharm. It was followed by a devotional song sung by Padmashree of 2ND year Pharm D and Yeshashwani of 2nd year B Pharm. The students of different classes spoke in the appreciation of their teachers. The teachers also spoke about their experiences during their teaching tenure and remembered many students for their good behavior, naughtiness, being in good positions, etc. IT was followed by a group activities for the teachers which was filled with enthusiasm. The principal madam including the other teachers spoke about the co-faculty members about their work ethics, etc. Few students from the PG spoke about their teachers and the HODs Dr. Guru S Raj Kulkarni, Dr. G Parthasarathy also took the initiative to appreciate their teachers and thank the students for conducting the function.

Convener, Dr. Padmaa M Paarakh, Principal of The Oxford College of Pharmacy, spoke about her teachers, the good qualities she observed in the teachers and appreciated all the students for taking the initiative in celebrating and remembering their teachers on the TEACHER'S DAY. She thanked all the teachers for being a wonder full team and inculcating overall discipline in the students and for giving their 100% in the academics.

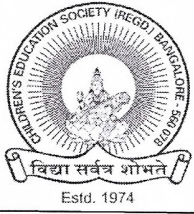

Dr. Noopur Srivastava, HOD of Pharmacology, The Oxford College of Pharmacy, gave the vote of thanks.

PREAMBLE:

The Oxford College of Pharmacy, Department of Pharmacy Practice, Bangalore celebrated "National Unity Day" on 31 October 2022. There were totally 60 participants of students of different classes.

Ms Liji Joy, Assistant Professor, Department of Pharmacy Practice organized the celebration on the occasion of "National Unity Day" and Dr. G Parthasarathy, Professor and Head of the Department of Pharmacy Practice emphasized the importance of the day.

Rashtriya Ekta Diwas or National Unity Day was introduced by the government of India in 2014 to pay tribute to great man who unified the country. While declaring October 31 as National Unity Day, the government said in an official statement that this occasion "will provide an opportunity to reaffirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity, and security of our country."

THE PROGRAM DELIVERED AS FOLLOWS:

The program was started with a welcome note by Ms Liji Joy, Programme organizer followed by the inaugural address from Dr Padmaa M Paarakh, Principal, The Oxford College of Pharmacy.

Dr. Parthasarathy G, HOD, Department of Pharmacy Practice, was invited to talk about National Unity Day /Rashtriya Ekta Diwas. The birth anniversary of Sardar Vallabhbhai Patel—the first home minister of Independent India—is celebrated as National Unity Day or Rashtriya Ekta Diwas. Vallabhbhai Jhaverbhai Patel also dubbed as 'Sardar Patel' was born on October 31, 1875, into a landowning family of the Leva Patidar caste.

Sardar Patel achieved the incredible feat of persuading almost every single one of the 565 self-governing princely states, that had been released from British suzerainty, to accede to the Union of India. For his commitment to the national integration of the newly independent country, Sardar Patel earned the sobriquet "Iron Man of India".

The event was organized by the Department of Pharmacy Practice in Room No.505 of The Oxford College of Pharmacy, Bangalore in between 11:30 to 12:30 PM headed by Dr. Padmaa M Paarakh, Principal, The Oxford College of Pharmacy.

A Pledge was taken by the students headed by Dr Sripriya C, Asst Professor as follows- "I solemnly pledge that I dedicate myself to preserve the unity, integrity, and security of the nation and also strive hard to spread this message among my fellow countrymen. I take this pledge in the spirit of unification of my country which was made possible by the vision and actions of Sardar Vallabhbhai Patel. I also solemnly resolve to make my own contribution to ensure the internal security of my country."

A total of 60 students from both B Pharm and pharm D were participated in this session.

OUTCOME OF THE PROGRAMME

The programme made students realize that National Integration helps in keeping the stability of the country and helps in the development. It nourishes communal harmony and fights casteism, regionalism and linguistic differences. It enhanced the feeling of loyalty towards the nation and aims at unifying people. This programme is anticipated to positively impact their future interactions with diverse populations and contribute to a more compassionate environment.

PREAMBLE

On the auspicious morning of 26th January 2023, The Oxford College of Pharmacy, Bangalore celebrated 74th Republic Day in the college premises. It was the matter of great pride for all of us. The principal, teachers and the students didn't want to leave any stone unturned in making this monumental day a memorable one. Republic Day is always a proud moment for every Indian to celebrate, which is celebrated throughout India and every corner of the country on 26th January every year irrespective of caste, creed and religion. The Oxford College of Pharmacy, Bangalore celebrated 74th Republic Day, which is themed as **75th Azadi Ka Amrit Mahostav** with great enthusiasm on 26th January 2023. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India.

On the special occasion, we also mark the festival of Basant Panchami. To celebrate the festival, faculty and students gathered to pay homage to the goddess of knowledge and wisdom, Saraswati, with a traditional Aarti and Bhajan ceremony. The simultaneous celebration of two important events added to the cultural richness and diversity of the day's festivities. The university community came together to celebrate India's constitutional values and rich cultural heritage, making the day a truly memorable one.

The campus was beautifully decorated with flags and rangoli to commemorate the day. All the students, teachers, and non-teaching staff gathered in the college premises at 8.15 a.m. The programme started at 8.30 a.m. Our beloved principal Dr Padmaa Paraakh welcomed all the members present for the function. She motivated our college students for various patriotic performances and shared with everyone to be good citizen of India by showing sincerity and punctuality in development of our nation. All must work hard and should not postpone their duties. She appreciated the consistent endeavours of our armed forces in protecting our country bravely. She urged students to realize, understand and cherish our coveted freedom and work towards a progressive nation. She extended her warm greetings on the occasion. After that our principal madam hoisted the Flag and we sang flag song and National Anthem together.

After that Dr. Jyoti Shrivastava, HOD, Professor, Department of Pharm Chemistry, The Oxford College of Pharmacy, gave an in-depth speech on how we got freedom.

Dr Parthasarthy, Professor, HOD, Department of Pharmacy Practice, The Oxford College of Pharmacy, also gave a speech on the importance of Republic Day to Indians. He talked about the date was specifically chosen as it marks the anniversary of Purna Swaraj Day, which was held on January 26, 1930. The Purna Swaraj resolution made on January 26, 1930, called for "complete freedom from the British rule".

Dr. Noopur Srivastava, HOD, Department of Pharmacology, The Oxford College of Pharmacy, gave the vote of thanks. The function was concluded by thanking teachers, students, and non-teaching staff.

The program ended with the message to create a great nation through collective efforts from all individual. Sweets were distributed amongst all.

To celebrate the day four programs were conducted in the Auditorium- Extempore, Slogan Competition, Face Painting and Sudoku.

The Face painting competition was organised in the Room no 404 and other events in the Auditorium. The judges for the Face painting were Mrs Divya S Kumar, Mrs Sravani T, Mrs K Bhavani and Dr Noopur Shrivastava. There were over all 75 participants.

PREAMBLE:

The Oxford College of Pharmacy, Bengaluru, IIC, organized " **National Science Day**" with an aim to recognize and appreciate the contributions of scientists and researchers to the field of science and to create awareness among the students about the importance of science and its applications in everyday life as well as to promote and nourish interest in science and technology. The program was conducted on February, 28th 2023.

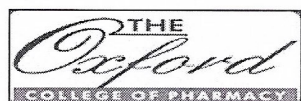

Ever since 1987, our country has been celebrating the National Science Day on 28th February to commemorate the discovery of the 'Raman Effect' by one of the renowned Physicist of India- Sir CV Raman. This year, the theme was 'Integrated Approach in Science and Technology for Sustainable Future'.

THE AWARENESS PROGRAM DELIVERED AS FOLLOWS:

The program was started with a welcome note by Dr. Noopur Srivastava, Program organizer followed by the inaugural address from Dr Padmaa M Paarakh, Principal, The Oxford College of pharmacy.

On the occasion there were Poster, Working Models and Origami Models competitions. There was enthusiastic participation for all the competitions from the students. Students from various under graduate and post-graduate courses had participated enthusiastically in the event. Students were shown their creative ideas and knowledge in posters and models. Dr. Parthasarthy Prof. & HOD, Pharmacy practice formally welcomed all the participants gathered for the celebration and spoke on the importance of National Science Day and the life and works of noble laureate Sir C V Raman. Dr. Padmaa M Paarakh Principal, The Oxford College of Pharmacy emphasized the need to go beyond textbooks and imbibe the knowledge from all the spheres for the overall development of any pharmacist. She encouraged and motivated students to take up challenges and put efforts to achieve excellence in their life. Dr. Gururaj S Kulkarni Prof. & HOD, Department of Pharmaceutics reflected on how Science and Technology should walk hand in hand to solve the current societal problems. Honourable Principal, HODs and faculties appreciated the science projects exhibited by the students in the science fair.

The students of M. Pharm (Pharmacology, Pharmaceutics), Pharm D, B Pharm and D Pharm were

OUTCOME OF THE PROGRAM

The program emphasized on the empowerment of the women in Indian society. The painting of the students depicted the vulnerable condition and plights of the women in the society. The program boosted the participants to stand against every injustice that a woman goes through in the Society. On this occasion, students and faculty joined together and went to promote awareness among the women about their right, equality and privileges in the society. The efforts taken for the awareness of empowerment of the woman by the college was appreciated much by the society.

PREAMBLE:

The Oxford College of Pharmacy, Bengaluru, IQAC, organized "Dr B R AMBEDKAR JAYANTI" with an aim to raise an awareness program to educate our staffs and students about the contribution of Dr B R Ambedkar to our nation. The program was conducted on april 14th 2023.

The major contribution by Dr. Ambedkar was helping dalits to get equal authority, status and respect in society as others. He is one of the greatest leaders in Indian history. He always fought against the discrimination happening against the dalits. He form new laws in support of dalits and gave them education and equal rights as other caste. We should pay him respect and tribute on what he had contributed to indian law and constitution .Because of him,many students are able to get quality education in india at lesser fee. There are people who are economically backward and cannot afford education in high level institute, but because of B R Ambedkar even they are able to get high quality education for their children which will secure the future of India.

THE AWARENESS PROGRAM DELIVERED AS FOLLOWS:

The program started with a welcome note by Mrs Liji, Program organizer followed by the inaugural address from Dr Padmaa M Paarakh, Principal, The Oxford College of pharmacy. The program started with a lamp lighting ceremony.

Dr. G Parthasarathy HOD, Department of Pharmacy practice, was invited to talk about the B R Ambedkar day. He delivered message about the importance of the day. One of the reasons of celebrating Ambedkar jayanti is to inspire the youth by reminding them of the heroic deeds of Dr Ambedkar.

The program has three different sessions which is delivered by students of III PharmD. Around 100 participants including staffs and students of oxford college of Pharmacy were attended the program.

The student staged a play on the role of Dr. Ambedkar which was witnessed by all staff members. III PharmD students organized a programme on "Role of Dr. Ambedkar in framing Indian constitution. Dr Padmaa M Paarakh Principal highlighted the contributions of Ambedkar in framing and designing the Indian constitution. Students and faculty members of the college paid tribute to Dr Ambedkar who was a social reformer, Jurist, Economist, Author and a great Scholar and thinker.

PREAMBLE

The Oxford college of pharmacy organized "INTERNATIONAL FAMILY DAY 2023" with an aim to aware Importance of family to our students. The program was conducted on May 15th 2023

The United Nations adopted a resolution in 1994 establishing the International Day of Families to celebrate the institution of family and to raise awareness regarding the issues faced by families.

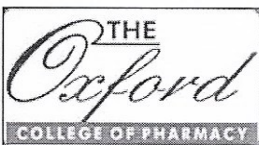

The content delivered in the program is as follows:

The program was started with a welcome note by Mrs. R. Uma prabha, Program organizer followed by the inaugural address from Dr Padmaa M Paarakh, Principal, The Oxford College of pharmacy.

The theme of International Day of Families 2023 is "Demographic trends and families". Families are the bedrock of any society. They help shape the values and beliefs of individual's while also providing a sense of belonging and identity. Families also provide emotional and social support, care and guidance to individuals,

International Day of Families plays an important role in recognizing the role of families in our society while also addressing many of the issues that are faced by modern families as poverty and inequality. our Principal mam, Dr Padmaa M Paarakh, gave a very good and well-researched speech about the family, the importance of family and why we need to be aware. She coated many examples that encourage the students to understand and respect the family. Students were very happy and encouraged by her speech.

The organizer Mrs.R.Uma Prabha concluded the program with vote of thanks. She thanked chairman Shri S. N. V. L Narasimha Raju, The Oxford Group of Institutions, Dr. Padmaa M Paarakh, principal, theoxford college of pharmacy for organizing such an webinar and Dr. Gururaj.S.Kulkarni, HOD, Department of Pharmaceutics, And to all the other faculties and students who participated in the webinar and helped in its successful completion.

PREAMBLE:

The Oxford College of Pharmacy, Department Of Pharmacy Practice, Bangalore celebrated "Gandhi Jayanti" on 03rd october 2023. There are totally 50 participants of students of different classes.

Dr SRIPRIYA C , Assistant Professor, Department Of Pharmacy Practice organized the celebration on the occasion of " Gandhi Jayanti" and Dr. G Parthasarathy, Professor and head of the Department Of Pharmacy Practice gave a talk about Mahatma Gandhi Jayanti .

Gandhi Jayanti, celebrated annually on 2nd October, marks the birthday of Mohandas Karamchand Gandhi, revered as Mahatma Gandhi. He is considered an eminent leader in India's struggle for independence against British colonial rule. This day holds profound historical significance and serves as a tribute to the man who championed non-violence, civil disobedience, and truth as powerful means for social and political transformation.

THE PROGRAM DELIVERED AS FOLLOWS:

The program was started with a welcome note by Dr Sripriya C, Program organizer followed by the inaugural address from Dr Padmaa M Paarakh, Principal, The Oxford College of pharmacy.

Dr.Parthasarathy G , HOD, Department of Pharmacy practice, was invited to talk about the Gandhi Jayanti . It holds a great importance as it reminds us of the extraordinary contributions of Mahatma Gandhi Ji. The significance of Gandhi Jayanti lies not only in commemorating his birthday but also in recognizing his indomitable spirit, leadership, and unwavering commitment to social justice and peace.

The event was started by the Department Of Pharmacy Practice in Room No.505 of The Oxford College of Pharmacy, Bangalore in between 03:30 to 4:00 PM headed by Dr. Padmaa M Paarakh, Principal, The oxford college of pharmacy. A Presentation was taken by Dr Sripriya C explaining the importance of the day and the history of birth anniversary of Mahatma Gandhi . A total of 50 students from both B Pharm and pharm D were participated in this session.

PREAMBLE

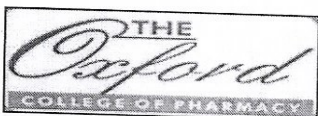

The Oxford College of Pharmacy, NSS Committee, IQAC, Bangalore Observed "Sadbhavana Diwas" on 18th August 2023 in college campus. Sadbhavana Diwas, also known as Harmony Day, is an annual celebration observed on 20th August in India. 20th August 2023 marks the 79th birth anniversary of former Prime Minister Rajiv Gandhi. This day commemorates the birthday of former Prime Minister Rajiv Gandhi, a visionary leader who championed the cause of national integration, peace and public harmony among the diverse population of India. The term "Sadbhavana" in English refers to "goodwill and bonafide". Being the youngest Prime Minister, Rajiv Gandhi's thought process was modern and different from others. He had the vision of a developed nation via many national as well as international projects that he pioneered. The main theme of Sadbhavana Diwas is to promote national integration and communal harmony among people of all religions and languages. Rajiv Gandhi, born on 20th August 1944, is the former Prime Minister of India. He held office from 1984-1989 and made significant contributions to the development of the country. He introduced several progressive policies aimed at modernizing India's education system and economy. Some of his notable achievements include:

National Policy on Education: Rajiv Gandhi introduced a National Policy on Education in 1986 to modernize higher education plans and promote intellectual growth.

Jawaharlal Navodaya Vidhyalaya System: Rajiv Gandhi founded a central-government-based institution namely Jawaharlal Navodaya Vidhyalaya System in 1986 for the upliftment of the rural section of the society providing them free residential education from 6th to 12th class.

Telecommunications Development: Due to his efforts, MTNL (Mahanagar Telephone Nigam Limited) was established in 1986 and also created public call offices (PCOs) for spreading telephones in rural areas. Economic Reforms: In post-1990, he introduced measures for reducing License Raj allowing businesses and individuals to purchase cars, consumer goods and import bureaucratic restrictions. Youth Empowerment: Rajiv Gandhi introduced the voting age as 18 to encourage the youth involvement in the voting process. He emphasized the potential of the country's youth and introduced schemes like the Jawahar Rozgar Yojana to provide employment opportunities.

Sadbhavana Diwas serves as a reminder of Rajiv Gandhi's aspirations for India's

development and progress. The celebration emphasizes the promotion of national unity, peace, empathy and communal harmony among people of different faiths and cultures. The central theme of the day is to foster goodwill and understanding among diverse communities, creating an atmosphere of mutual respect and coordination. Sadbhavana Diwas' Pledge "I take this solemn pledge that I will work for the emotional oneness and harmony of all the people of India regardless of caste, religion, region or language. I further pledge that I shall resolve all differences among us through dialogue and constitutional means without resorting or violence." The Rajiv Gandhi National Sadbhavana Award was established in 1992 by the All-Indian Parliamentary Commission of the Indian National Congress to commemorate the former PM Rajiv Gandhi. This award is given annually to those who have devoted their lives to understanding and promoting the spirit of harmony. The awardees are provided with a prize of Rs.10 lakh and a prize. Some of the awardees are: Lata Mangeshkar, Shubha Mudgal, Sunil Dutta, Amjad Ali Khan, Mohammad Azharuddin, Gopalakrishnan Gandhi and more.

PREAMBLE

The Oxford College of Pharmacy, Department of Pharmaceutics, IQAC, Bangalore celebrated "National Voters Day" on 25th January 2023. The program was organized for 100 participants of students of different classes. Mrs. Keerthana C.K Assistant Professor, Department of Pharmaceutics organized the event on "National Voters Day."

The content of the Session:

The program commenced with Prayer by the students. Ms. Surinder Kaur, Assistant Professor, Department of Pharmaceutics welcomed all the attendees of the program and emphasized about the importance of celebrating voters' day. The National Voters' Day has been celebrated on January 25 every year since 2011, across the country to mark the foundation day of Election Commission of India, i.e., 25th January 1950. Theme for this year's national voters' day is 'NOTHING LIKE VOTING, I VOTE FOR SURE'. The main purpose of the NVD celebration is to encourage, facilitate and maximize enrolment, especially for the new voters. Dedicated to the voters of the country, the day is utilized to spread awareness among voters and for promoting informed participation in the electoral process. She emphasized about the significance of Voting. Every citizen has the basic right to vote. He or she has the right to select his leader to whomever they think can lead the nation, solving the problems of common people, bringing about change, etc. National Voters Day is a significant root of India as the future of the country lies in the leader that we choose. The objectives and purpose of the celebration on occasion of National Voters Day celebration is to encourage, facilitate and maximize enrolment, especially for the new voters.

National voters' day 2023" celebration was organized by The Oxford College of Pharmacy, Bangalore by a live event on theme "NOTHING LIKE VOTING, I VOTE FOR SURE". The program was arranged on 25th January 2023. There are totally 100 participants of students of different classes.

This event was arranged on 25th January 2023 in Room No.505 of (The Oxford College of Pharmacy, Bangalore) in between 03:30 to 04:00PM.

At last, Mrs. Keerthana C K thanked to every participant who actively participated in this event and encouraged to take part in such events in upcoming days too.

PREAMBLE

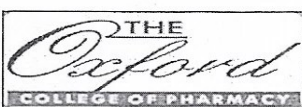

The Oxford College of Pharmacy, Bengaluru, IQAC, organized "ZERO DISCRIMINATION DAY 2023" with an aim to educate our staffs and students about the zero discrimination. The program was conducted on March 1st 2023. The theme of the Programme was "SAVE LIVES- DECRIMINALISATION".

Joint United Nations Programme on HIV/Aids (UNAIDS) is highlighting how the decriminalization of key populations and people living with HIV saves lives and helps advance the end of the AIDS pandemic. Criminal laws targeting key populations and people living with HIV violate people's human rights, exacerbate the stigma people face and put people in danger by creating barriers to the support and services they need to protect their health.

In 2021, the world set ambitious law reform targets to remove criminal laws that are undermining the HIV response and leaving key populations behind. Recognizing decriminalization as a critical element in the response, countries made a commitment that by 2025 less than 10% of countries would have punitive legal and policy environments that affect the HIV response.

In fact, today there are 134 countries explicitly criminalizing or otherwise prosecuting HIV exposure, non-disclosure or transmission; 20 countries criminalize and/or prosecute transgender persons; 153 countries criminalize at least one aspect of sex work; and 67 countries now criminalize consensual same-sex sexual activity, according to UNAIDS. In addition, 48 countries still place restrictions on entry into their territory for people living with HIV, while 53 countries report that they require mandatory HIV testing, for example for marriage certificates or for performing certain professions. 106 countries report requiring parental consent for adolescents to access HIV testing.

Criminalization drives discrimination and structural inequalities. It robs people of the prospect of healthy and fulfilling lives. And it holds back the end of AIDS.

OUTCOME OF THE PROGRAMME

The programme was conducted with an aim to raise an awareness and to educate our staffs and students about the theme save lives- Decriminalization. Students learned that how Criminal activities drives discrimination and structural inequalities and rob people from their rights in the society. They also learned that it robs people of the prospect of healthy and fulfilling lives leading to increased vulnerability. Above all, students, after having exposed to the gravity of the criminalization, felt that it is the duty of the every individual to fight against criminal activities to create secure and safe environment in the society.

PREAMBLE:

The Oxford College of Pharmacy, Bengaluru, organized "INDIAN CONSTITUTION DAY 2022" to mark the adoption of Indian Constitution by the constituent assembly on 26 November 2022. Constitution Day, also known as Samvidhan Divas or National Law Day, is celebrated in India on November 26th each year. This day commemorates the adoption of the Constitution of India on November 26, 1949. The Constitution came into force on January 26, 1950.

The celebration of the Constitution Day and subsequent activities aim to spread awareness on the importance of the Indian Constitution and to acknowledge the contributions of its architect, Dr B R Ambedkar.

The content of the Session:

The program was started with a welcome note by Dr Sripriya C, Program organizer followed by the inaugural address from Dr Padmaa M Paarakh, Principal, The Oxford College of Pharmacy.

Dr. Parthasarathy G, HOD, Department of Pharmacy Practice, was invited to talk about the Constitution Day. He emphasized about the significance of Indian Constitution Day. He made students to understand the fundamental rights, fundamental duties as a citizen of India.

On this occasion different sessions were arranged by the organizing member Dr Sripriya C. The first session included briefing of students with the background of the day followed by the oath taking on this occasion. An open quiz session about the interesting Facts about Indian Constitution was also conducted by Dr Sripriya C. The Constitution Day was first celebrated as a mark of tribute to India's first Law Minister Bhim Rao Ambedkar, who played a pivotal role in the drafting of the Indian Constitution. The Constitution is a set of written principles and precedents of the Government of India that frames fundamental political principles, procedures, rights, directive principles, restrictions, and duties of the government and the citizens of the country.

The program was attended by students of Pharm D, B. Pharm and D. Pharm. Around 80 participants including staffs and students of The Oxford College of Pharmacy had attended the program.

The organizer Dr Sripriya C concluded the program with vote of thanks. She thanked chairman Shri S. N. V. L Narasimha Raju, The Oxford Group of Institutions, Dr. Padmaa M Paarakh, Principal, The Oxford

PREAMBLE:

The Oxford College of Pharmacy, Bengaluru, organized "INDIAN CONSTITUTION DAY 2022" to mark the adoption of Indian Constitution by the constituent assembly on 26 November 2022. Constitution Day, also known as Samvidhan Divas or National Law Day, is celebrated in India on November 26th each year. This day commemorates the adoption of the Constitution of India on November 26, 1949. The Constitution came into force on January 26, 1950.

The celebration of the Constitution Day and subsequent activities aim to spread awareness on the importance of the Indian Constitution and to acknowledge the contributions of its architect, Dr B R Ambedkar.

The content of the Session:

The program was started with a welcome note by Dr Sripriya C, Program organizer followed by the inaugural address from Dr Padmaa M Paarakh, Principal, The Oxford College of Pharmacy.

Dr. Parthasarathy G, HOD, Department of Pharmacy Practice, was invited to talk about the Constitution Day. He emphasized about the significance of Indian Constitution Day. He made students to understand the fundamental rights, fundamental duties as a citizen of India.

On this occasion different sessions were arranged by the organizing member Dr Sripriya C. The first session included briefing of students with the background of the day followed by the oath taking on this occasion. An open quiz session about the interesting Facts about Indian Constitution was also conducted by Dr Sripriya C. The Constitution Day was first celebrated as a mark of tribute to India's first Law Minister Bhim Rao Ambedkar, who played a pivotal role in the drafting of the Indian Constitution. The Constitution is a set of written principles and precedents of the Government of India that frames fundamental political principles, procedures, rights, directive principles, restrictions, and duties of the government and the citizens of the country.

The program was attended by students of Pharm D, B. Pharm and D. Pharm. Around 80 participants including staffs and students of The Oxford College of Pharmacy had attended the program.

The organizer Dr Sripriya C concluded the program with vote of thanks. She thanked chairman Shri S. N. V. L Narasimha Raju, The Oxford Group of Institutions, Dr. Padmaa M Paarakh, Principal, The Oxford

PREAMBLE

The Oxford College of Pharmacy, IQAC, Bangalore celebrated “National Girl Child Day” on 25th January 2023, Mrs. Divya S Kumar, Assistant Professor, Department of Pharmaceutics, initiated the celebration of the program along with students. There were around 70 participants.

The content of the Session:

“National Girl Child Day” celebration was organized by The Oxford College of Pharmacy, Bangalore on 25th January 2023” with the theme “Empowering Girls for a Brighter Tomorrow”. The program started with the welcoming of the audience and introduction of the Speaker of the day Ms Rajeshwari, Asst. Professor, The Oxford College of Nursing Sciences. The speaker briefed about the history and significance of observing this day. The National Girl Child Day was first observed on January 24, 2008 by the Ministry of Women and Child Development. It was decided to observe the day to tackle issues related to inequalities that girls face in society. The main objectives for observing this day are to provide support and opportunities to girls from around the country, by raising awareness regarding inequalities faced by girl children, regarding the importance of female education, health care and nutrition and also to raise awareness regarding the importance of their empowerment. The main objective of National Girl Child Day 2023 is to promote the welfare of girl children in India. However, there are various factors that need to be taken into consideration which is being emphasized on National Girl Child Day 2023 were also briefed by the speaker such as

To create awareness among people to protect and raise girl child with equality in terms of education, health and other opportunities in life.

To promote the idea of the elimination of any form of discrimination against the girl child at home or outside world.

To accept girl child/children and welcome them into homes and live with respect and love and abandon the evil ideology of killing girl children in the womb and female infanticide.

To educate people at large about the importance of girl children and the declining sex ratio in India and eventually to change their mindset.

PREAMBLE:

The Oxford College of Pharmacy, Bengaluru, IQAC, organized "**WORLD CANCER DAY 2023**". It is the global uniting initiative led by the Union for International Cancer Control (UICC).

Cancer is a second-leading cause of death across the world and 70% of cancer deaths occur in low-to-middle-income countries. Each year, millions of lives can be saved by implementing resource-appropriate strategies for prevention, early detection, and treatment.

World Cancer Day 2023 is observed on 4th February every year to raise awareness about the prevention and treatment of cancer. The main aim of World Cancer Day 2023 is to promote the importance of early detection of Cancer as it can exponentially increase the chances of better treatment and curing it.

UICC (Union for International Cancer Control) declared the theme for World Cancer Day 2023 "**Close the Care Gap**".

At the same time, make people aware of how to identify the symptoms of cancer, educate people, as well as to prepare government and non-governmental organizations to help in fighting this deadly disease all over the world.

THE PROGRAM DELIVERED AS FOLLOWS:

On the occasion of World cancer day on 4th February 2023, a awareness programme was conducted by Department of Pharmaceutical chemistry.

The program was started with a welcome note and Guest speaker's introduction by Mrs. G. Suvarna Lakshmi, Program organizer followed by the inaugural address from Dr Padmaa M Paarakh, Principal, The Oxford College of pharmacy.

The lecture was by **Azeez Ali Khan, Business Head, co Guide Research Simplified**. He focused on the cancer prevention interventions. He also shared his views on adopting cancer-preventive life style.

The second lecture was by **Dr. Jyoti Srivasthava, HOD, Department of Pharmaceutical chemistry** on World cancer day theme "Close the Care Gap". People need to encourage others to take care of themselves and adopt a cancer-preventive lifestyle. Moreover, the Theme Close the Care Gap emphasizes providing better and more accessible clinical evaluation and care to people at large.

The third lecture was by **Dr. Noopur Shrivastava, HOD In charge, Department of Pharmacology** on the common cancers in community and myths and taboos related to various types cancer. She also focused on how sometimes people fail to notice the early symptoms due to a lack of awareness and clinical evaluation or checkups.

The organizer Mrs. G. Suvarna Lakshmi concluded the program with vote of thanks. She thanked chairman Shri S. N. V. L Narasimha Raju, The Oxford Group of Institutions, Dr. Padmaa M Paarakh, principal, theoxford college of pharmacy for organizing such an event. She also expressed her gratitude to Azeez Ali Khan, Business Head, co Guide Research Simplified, Dr. Noopur Shrivastava, HOD Incharge, Department of Pharmacology, Dr. Jyoti Srivasthava, HOD, Department of Pharmaceutical chemistry, and to all the other faculties and students who participated in the event and helped in its successful completion of the event.

PREAMBLE:

The Oxford College of Pharmacy, Bengaluru, IQAC, organized "**WORLD ASTHMA DAY 2023**" with an aim to raise an awareness program to educate our staffs and students about the asthma condition, the medication, treatment and its first aid. The program was conducted on May 2nd 2023

GINA (global Initiative for asthma) a World Health Organization collaborative organization founded in 1993 has chosen "**Asthma care for All**" as the theme for the 2023 World Asthma Day. Its global healthcare event which is observed on the first Tuesday in May every year in a bid to spread awareness about the chronic respiratory disease. This year, the day is being marked on May 2, 2023. The day was chosen to correspond with the summer seasons, when allergies and weather changes might aggravate asthma symptoms. If asthma is not adequately managed, it might result in numerous other health problems. Chronic asthma may lead to breathing issues, sleep disturbances, exhaustion and poor focus in the long run. **The Asthma care for All** message promotes the development and implementation of effective asthma management programs in all resource countries.

According to a study conducted by the Global Asthma Network (GAN), India is responsible for over 42% of the world asthma-related deaths. Asthma is a medical condition that causes the airways to narrow and become inflamed, leading to the accumulation of mucus, resulting in difficulty breathing. World Asthma Day is a significant occasion that seeks to increase awareness about asthma and its treatment.

THE AWARENESS PROGRAM DELIVERED AS FOLLOWS:

The program was started with a welcome note by Mrs. Pradeepa Prasad, Program organizer followed by the inaugural address from Dr Padmaa M Paarakh, Principal, The Oxford College of pharmacy.

"ASTHMA CARE FOR ALL"

- World Asthma Day is an annual awareness day that is organized by the Global Initiative for Asthma (GINA).
- Its main goal is to raise awareness about asthma and improve asthma care around the world.
- The event is held on the first Tuesday of May every year and aims to promote understanding of asthma and encourage individuals to take control of their asthma by seeking appropriate medical care.

HOW TO USE AN INHALER

- **STEP 1: Remove the cap**
- The cap is a small covering located over the mouthpiece of the inhaler to prevent foreign objects from getting in the inhaler. Pull the cap to remove it and set it in a safe place. An uncapped inhaler can pick up germs and debris, which you will then pump into your lungs.
- Make sure that you don't lose your cap while you're using your inhaler.

SYMPTOMS OF ASTHMA TO LOOK OUT FOR

- Wheezing, a whistling or squeaky sound when breathing
- Shortness of breath or difficulty in breathing
- Chest tightness or pain
- Chronic coughing especially at night or early morning
- Rapid breathing or panting
- Trouble sleeping
- Fatigue or tiredness due to difficulty of breathing
- Anxiety or panic due to sudden onset of symptoms

FIRST AID FOR ASTHMA

- **Step 1: Sit the person upright**
- Be calm and reassuring.
- Do not leave them alone.
- **Step 2: Give 4 separate puffs of blue/grey reliever puffer**
- Shake the puffer.
- Put 1 puff into the spacer.
- Get the person to take 4 breaths from the spacer.
- Repeat until 4 puffs have been taken. If you don't have a spacer, give 1 puff at a time take 1 slow, deep breath and hold breath for as long as comfortable. Repeat until all puffs are taken.
- Remember: Shake, 1 puff, 4 breaths.

OUTCOME OF THE PROGRAMME

The program with an aim to raise an awareness and to educate our staffs and students about the asthma condition, the medication, treatment and its first aid was successfully achieved. Students gained information about the disease condition, its causes and importance. Students also practiced various breathing techniques for management of asthma that to be practiced in daily life. The demonstration of medicated metered Inhaler has created a good knowledge among the students.

PREAMBLE:

The Oxford College of Pharmacy, Bengaluru, IQAC, organized "**WORLD NO TOBACCO DAY 2023**" with an aim to educate our staffs and students about the awareness of alternative crop production and marketing opportunities for tobacco farmers. The program was conducted on JUNE 1st 2023. The theme of the Programme was "**GROW FOOD NOT TOBACCO**".

On 1ST June 2023, WHO and public health champions around the world will come together to celebrate World No Tobacco Day (WNTD). This year's theme is "Grow food, not tobacco". The 2023 global campaign aims to raise awareness about alternative crop production and marketing opportunities for tobacco farmers and encourage them to grow sustainable, nutritious crops. It will also aim to expose the tobacco industry's efforts to interfere with attempts to substitute tobacco growing with sustainable crops, thereby contributing to the global food crisis.

The growing food crisis is driven by conflicts and wars, climatic shocks, and the economic and social impacts of the COVID-19 pandemic. Structural causes like the choice of crop also have an impact, and look into tobacco growing reveals how it contributes to increased food insecurity:

- Across the globe around 3.5 million hectares of land are converted for tobacco growing each year. Growing tobacco also contributes to deforestation of 200 000 hectares a year.
- Tobacco growing is resource intensive and requires heavy use of pesticides and fertilizers, which contribute to soil degradation.
- Land used for growing tobacco then has a lower capacity for growing other crops, such as food, since tobacco depletes soil fertility.
- Compared with other agricultural activities such as maize growing and even livestock grazing, tobacco farming has a far more destructive impact on ecosystems as tobacco farmlands are more prone to desertification.

THE AWARENESS PROGRAM DELIVERED AS FOLLOWS:

The program was started with a welcome note by Dr. G. Venkata Kartheek Kumar Reddy, Program organizer followed by the inaugural address from Dr Padmaa M Paarakh, Principal, The Oxford College of pharmacy.

Dr. Noopur Srivastava, Associate Professor, Department of Pharmacology and Dr. Gururaj S Kulkarni, HOD & Professor, Department of Pharmaceutics were invited to talk about the awareness of about alternative crop production and marketing opportunities for tobacco farmers and encourage them to grow sustainable, nutritious crops and awareness of tobacco abuse and its effects to the society. II Yr M. Pharm Pharmacology and Pharmaceutics, I Pharm D, IV Pharm D, I & II D. Pharm students were participated in the Programme.

OUTCOME OF THE PROGRAMME

This year's theme for no tobacco day is "Grow Food, Not Tobacco," emphasizes the importance of healthy food production in reducing tobacco use. Through this awareness program students gained knowledge to Promote food production over tobacco cultivation, create jobs, reduce pesticide use, and improve overall health. Reducing tobacco use can positively impact society, including improved health for students, cost savings in healthcare, and a more equitable society for all. Students along with faculties created awareness in the local society and explained the risk in consuming tobacco. Students were appreciated by the public.

PREAMBLE:

The Oxford College of Pharmacy, Bengaluru. IIC. organized "WORLD ENVIRONMENTAL DAY 2023" with an aim to raise an awareness program to educate our students about the protection and preservation of the environment. The program was conducted on June 5th 2023

The history of world environment day can be tracked back to 1972 when the United Nations Conference on the Human Environment was held in Stockholm, Sweden. As a result of this conference, the United Nations Environment Programme (UNEP) was established on June 15, 1972. The UNEP proposed a special day for the environment. In 1972, the UN General Assembly designated June 5 as World Environment Day (WED). The first World Environment Day was observed on June 5, 1973, with the slogan "Only One Earth." World Environment Day 2023 marks the completions of 50 years of its establishment. This year, the theme of the WED 2023 is "#Beat Plastic Pollution." The environment has suffered a lot due to industrialization. World Environment Day encourages people to adopt eco-friendly practices to have a greener and clear environment and then focused on solutions to plastic pollution under the campaign.

The condition of our environment is getting declined day by day because of the pollution and global warming. We should celebrate and promote eco-friendly development in our country in order to save the environment for better future.

THE AWARENESS PROGRAM DELIVERED AS FOLLOWS:

The program was started with a welcome note by Mrs. Vishnupriya S, Program organizer followed by the inaugural address from Dr Padmaa M Paarakh, Principal, The Oxford College of pharmacy.

It is a day that reminds everyone on the planet to get involved in environment friendly activities. Keeping this aim in view, The Oxford College of Pharmacy celebrated World Environment Day on 5th June 2023. Students of various branches from department participated and celebrated world

environmental day enthusiastically. All the students were asked to plant a sapling to create a green

corner around the college campus and their home gardens, as well as all the teachers also helped the students in planting. A lot of enthusiasm was seen in the students. After the plantation program the students assembled in 506 room, our Principal mam, Dr Padmaa M Paarakh, gave a very good and well-researched speech about how the condition of our environment today is and why we need to be aware. She also told us what steps we should take immediately so that we can make our environment healthy. At the end, she took a promise from all the students that no one will pollute the environment and will not allow anyone to do so and the event was conducted successfully with whole hearted participation and awareness about green environment.

The organizer Mrs. Vishnupriya S concluded the program with vote of thanks. She thanked chairman Shri S. N. V. L Narasimha Raju, The Oxford Group of Institutions, Dr. Padmaa M Paarakh, principal, the oxford college of pharmacy for organizing such an event and Dr. Jyoti Srivastava, HOD, Department of Pharmaceutical chemistry. And to all the other faculties and students who participated in the event and helped in its successful completion of the event. After the program students went to local community and conveyed the message of importance of implantation.

OUTCOME OF THE PROGRAMME

This program offered an opportunity for students to learn about the environment and develop a sense of responsibility and commitment to sustainability. A sign of the impact of the day, students planted various plants on the college premises and even went out creating awareness about the role of every individual in keeping the environment safe and healthy, keeping society free from pollution and planting more trees. It can also positively impact society by leading to changes in behaviour and policy, creating new industries and jobs, and reducing costs associated with environmental degradation. Overall, it is an important event that promotes a healthier and more sustainable future for ourselves and future generations.

PREAMBLE:

The Oxford College of Pharmacy, Bengaluru, organized "WORLD BLOOD DONOR DAY 2023" with an aim to raise an awareness program to educate our staffs and students about the need for safe blood and blood products and to thank voluntary, unpaid blood donors for their life saving gifts of blood. The program was conducted on June 14th 2023. This day is celebrated on the birthday anniversary of Karl Landsteiner on June 14, 1868. Landsteiner was awarded the Nobel prize for his discovery of ABO blood group system.

In 2004, World Blood Donor Day was first distinguished by WHO. In 58th World Health Assembly, 2005 it was declared as annual global event to raise awareness about the importance of blood donation.

The Theme for 2023 World Blood donor day campaign is '**Give Blood, Give Plasma, Share Life, Share Often**'. This theme reflects the important role blood donors play in maintaining the health and well-being of communities around the world.

Blood and plasma are essential in surgery and for treating many conditions such as trauma, cancer, immune disorders and coagulation disorders. They are also crucial for responding to emergencies and fighting against infectious diseases. However, many countries face challenges in ensuring adequate and safe blood supply for patients because of insufficient medical infrastructure and personal conflict or ongoing humanitarian crisis. On world blood donor day, we celebrate donors at the heroes they are. Every single donation can make difference for someone's life by giving blood or plasma you are not helping a patient but also their family and community.

THE AWARENESS PROGRAM DELIVERED AS FOLLOWS:

The program was started with a welcome note by Dr Sripriya C, Program organizer followed by the inaugural address from Dr Padmaa M Paarakh, Principal, The Oxford College of pharmacy.

Dr. Parthasarathy G, HOD, Department of Pharmacy practice, was invited to talk about the Blood Donor Day. He was delivered about the importance of Blood donations.

The program has different sessions which is delivered by Dr Sripriya C. The first includes the objectives of the world blood donor day followed by who can give blood and what is the criteria for it as prescribed by WHO. Then follows what happens to the collected blood. And also explains the working of blood bank. And last explains the benefits of blood donations, it is not only the person who receive blood is benefited, but

also the person who is giving blood benefited. And motivates the students to create awareness among society around them and encourage for active participation in life saving act

The program was attended by students of Pharm D, B. Pharm and D. Pharm. Around 60 participants including staffs and students of oxford college of Pharmacy were attended the program. After completing the program in campus students went outside the campus to create awareness in the society.

The organizer Dr Sripriya C concluded the program with vote of thanks. She thanked chairman Dr. S. N. V. L Narasimha Raju, The Oxford Group of Institutions, Dr. Padmaa M Paarakh, principal, The oxford college of pharmacy for organizing such an event and Dr. Parthasarathy G HOD, Department of Pharmacy practice. And to all the other faculties and students who participated in the event and helped in its successful completion of the event.

OUTCOME OF THE PROGRAMME

The outcomes and benefits of World blood donor day include saving lives, promoting health, raising awareness, fostering community spirit, and providing educational opportunities for students. The Oxford College of Pharmacy has organized the awareness programme which helped the students understand the importance of blood and its donation and encourage more people to donate blood. From this program , we can positively impact on society to involve in such programs. The students also got an opportunity to interact with common people and educate them about the blood donation as well as to create an awareness for the same. The public response was fascinated and welcoming. They thanked our students for educating them about blood donation.

PREAMBLE

The Oxford College of Pharmacy, NSS Committee, IQAC, Bangalore conducted the session on "INTERNATIONAL YOGA DAY OF 2023" for the students and teaching faculties. As offline session became a part of the process, the event was organized in 4th floor health center. There were 50 students for this event from The Oxford College of Pharmacy. MR. VIVEKANAND SAWARKAR, Sahaja yoga trainer, Head Corporate Quality, Strides Pharma Science, Bangalore delivered lecture on "Sahaja yoga and meditation technique".

THE CONTENT DELIVERED IN THE WEBINAR IS AS FOLLOWS

MR. VIVEKANAND SAWARKAR thanked Mataji Nirmla Devi for rediscovering sahaja yoga as holistic health care for people and this session helped us to focus on awakening the dormant primordial energy (Kundalini energy), whereby a flow of subtle cool cosmic vibrations in the body was achieved which nourished and rejuvenated each and every cell of the body. The event was ended with Q & A session where the participants asked few doubts regarding the Do's and Don'ts. There were around 60 participants.

OUTCOME OF THE PROGRAMME

The session in the Yoga Day became a point of learning about the importance of physical exercise to keep up good health in the metro cities like Bangalore. It promotes physical fitness, enhances mental health, fosters community spirit, encourages environmental awareness, and provides educational opportunities. By embracing yoga as a way of life, individuals can lead more fulfilling and healthy lives, and society can benefit from a happier, more peaceful, and more connected community. The students and faculty also taken initiative to reach out local people and promoted awareness that how daily physical exercise can keep us healthy from various illnesses such as cardiac, respiratory problems, mental health, better sleep, relief from stress etc. Such efforts on behalf of the college were much appreciated by local communities.
