PREAMBLE

On the auspicious morning of 26th January 2023, The Oxford College of Pharmacy, Bangalore celebrated 74th Republic Day in the college premises. It was the matter of great pride for all of us. The principal, teachers and the students didn't want to leave any stone unturned in making this monumental day a memorable one. Republic Day is always a proud moment for every Indian to celebrate, which is celebrated throughout India and every corner of the country on 26th January every year irrespective of caste, creed and religion. The Oxford College of Pharmacy, Bangalore celebrated 74th Republic Day, which is themed as **75th Azadi Ka Amrit Mahostav** with great enthusiasm on 26th January 2023. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India.

On the special occasion, we also mark the festival of Basant Panchami. To celebrate the festival, faculty and students gathered to pay homage to the goddess of knowledge and wisdom, Saraswati, with a traditional Aarti and Bhajan ceremony. The simultaneous celebration of two important events added to the cultural richness and diversity of the day's festivities. The university community came together to celebrate India's constitutional values and rich cultural heritage, making the day a truly memorable one.

The campus was beautifully decorated with flags and rangoli to commemorate the day. All the students, teachers, and non-teaching staff gathered in the college premises at 8.15 a.m. The programme started at 8.30 a.m. Our beloved principal Dr Padmaa Paraakh welcomed all the members present for the function. She motivated our college students for various patriotic performances and shared with everyone to be good citizen of India by showing sincerity and punctuality in development of our nation. All must work hard and should not postpone their duties. She appreciated the consistent endeavours of our armed forces in protecting our country bravely. She urged students to realize, understand and cherish our coveted freedom and work towards a progressive nation. She extended her warm greetings on the occasion. After that our principal madam hoisted the Flag and we sang flag song and National Anthem together.

After that Dr. Jyoti Shrivastava, HOD, Professor, Department of Pharm Chemistry, The Oxford College of Pharmacy, gave an in-depth speech on how we got freedom.
