"I am made and remade continually"

On 30th February, Saturday an enthusiastic and motive program was organized with all the safety and precautionary measures by THE OXFORD COLLEGE OF ARTS in the seminar hall. It was mainly organized by the PSYCHOLOGY DEPARTMENT. The program started around 11:00am and went on till 2:00pm. The students and the faculties followed the college SOP very strictly and sat with social distancing with one another.

This program was conducted to give a mindfulness on mental health and also to give an awareness of what dissociative disorder is. Our Resource Person Dr Shalini Sathyaprasad, Associate Professor BMS Women's College. The Principal of The Oxford College of Arts Dr T. TopiSab. Mrs Gayathri Shravan, Assistant Professor, Journalism dept, welcomed the dignitaries, faculties and the students. The program was started with a prayer song sang by the 1st year students. Later the Resource person Dr Shalini Sathyaprasad addressed the gathering and presented a presentation on DISSOCIATIVE DISORDER. It was mainly to give an awareness to everyone and how our behaviour changes from time to time were mentioned. It was pretty keen program to get to know about such things. After the presentation ended it was followed by QnA session for about 20-25minutes. The program quite enlightens the minds of the students and as well as the faculties. Everyone including the students and the faculties were seen to be very attentive. The program successfully ended with a Vote of Thanks rendered by Mrs Minnu Maria Jose, Assistant Professor, Psychology Department.

THANK YOU
