

Beyond The High – Unraveling The Multidimensional Impact On Drug Abuse

A Report On Drug Awareness Program

The Drug Awareness Programme titled 'Beyond The High – Unraveling The Multidimensional Impact Of Drug Abuse' was organized by The Oxford College of Arts, Bangalore in association with the National Service Scheme on 20th January 2024, Co-Ordinated by Hema M (NSS Co-ordinator). The event commenced with the ceremonial lighting of the lamp and was graced by the presence of the esteemed Chief Guest, Soumi Dutta, Project Manager at Sankalp India Foundation.

Ms. Dutta, with her vast experience in working with drug addicts, shared insightful anecdotes and perspectives on the issue of drug abuse. She began by narrating her personal encounters with individuals battling drug addiction, highlighting the challenges and struggles faced by them. The audience was then shown a poignant documentary shedding light on the various aspects of drug abuse and its far-reaching consequences.

During her address, Ms. Dutta delved into the multidimensional impact of drug abuse, focusing on its physical, psychological, economical, and sociological implications. She emphasized the importance of understanding the root causes of drug addiction and the need for a holistic approach to address the issue effectively. Through engaging case studies and real-life examples, she eloquently illustrated the gravity of the situation and the urgent need for intervention and support systems.

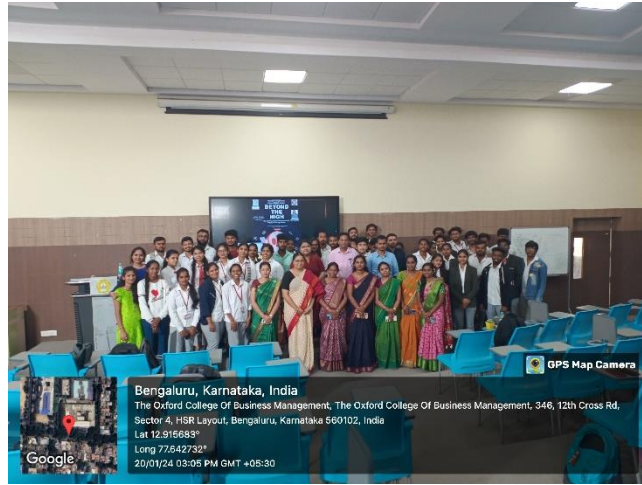

The programme served as a wake-up call for the audience, compelling them to reflect on the pervasive nature of drug abuse and the urgent need for awareness and action. Ms. Dutta's compelling insights and empathetic approach left a lasting impact on the attendees, motivating them to be proactive in combating the menace of drug abuse in society.
