I decided to further my education after having worked for a few years and it gives me great pleasure to say with pride that I chose The Oxford College of Arts, Bengaluru to pursue my post-graduation in Mass Communication. It was a great time we spent in the college. I have had so many new educational experiences that I feel has made me a much better person. The faculty members guided and gave me an opportunity to excel in my area of interest. I made the right decision to come to Oxford College of Arts and the experience and knowledge I gained from the institution are helping me immensely in my professional career. I am proud to be an Oxford Alumna.
