## OVERVIEW

The Oxford English School, located in J.P. Nagar 1st Phase, Bangalore, is a prominent educational institution offering ICSE and ISC curricula. Known for its commitment to academic excellence, the school provides a well-rounded education that emphasizes both intellectual and personal development. With a focus on holistic growth, the institution boasts a comprehensive range of facilities, including modern classrooms, science and computer labs, libraries, and sports amenities. The dedicated faculty at The Oxford English School strives to create a nurturing and stimulating environment that encourages students to explore their potential and develop critical thinking skills. Additionally, the school places importance on extracurricular activities, allowing students to engage in various cultural, artistic, and athletic pursuits, fostering a balanced and enriching educational experience.
