stimulating learning opportunities and creative suggestions for their general growth. Academically, a solid theoretical basis will be given, and students will receive guidance on how to apply it in practice. In previous years, the institute consistently achieved university ranks and placements, demonstrating a good track record of results. Students participate in and do well in extracurricular and co-curricular activities through active social, athletic, and cultural groups in addition to their academic pursuits.

**ACCREDITATIONS:**

Our institution has been accredited by the National Assessment and Accreditation Council (NAAC) with a prestigious grade of 'B+', a reflection to our commitment to academic excellence and quality education the institution has been accredited by NAAC with the B+
