UNDER GRADUATE PROJECT APPROVAL ORDER**

Sub:	Orders for approval of research grants to the UG students of affiliated institutions of RGUHS to carryout research projects for the year 2023-24.reg
Ref:	1. University notification No: RES/UG-RESEARCH/188/2021-22 dated 06-01-2023 2. Approval of the 180 th Syndicate meeting held on 10-07-2023
Project Code:	UG23PHA508
Subject and faculty	Pharmacognosy PHARMACY
Principal Investigator	SHRAVYA
College	THE OXFORD COLLEGE OF PHARMACY
Name of the Guide/Designation and Dept	Dr Padmaa M Paarakh Principal
Research Project Title	Green synthesis of silver nanoparticles of ethanolic extract of an aquatic sea weed/Pistia striates Linn. and its in vitro antitubercular activity.
Research Grants Sanctioned	15000
Duration of the Project	Three months from the date of issue of amount through NEFT/RTGS.

One of the main objectives of the University is to promote research activities in the University affiliated colleges. In this regard University had invited applications for financial assistance for conducting the research projects by the UG students of colleges affiliated to RGUHS for the year 2023-24, wherein university received 571 research proposals. The Subject Experts as suggested by the concerned BOS UG chairpersons and the Expert Committee have scrutinized the research proposals and shortlisted them based on the criteria set-out by the University. Such of the proposals which have fulfilled the norms, have been recommended by the Expert Committee for sanction of research grants.

The Syndicate in its 180th meeting held on 10-07-2023 has approved to sanction the grant-in-aid as per the recommendations of Expert Committee for 353 selected proposals in Medical, Dental, Pharmacy, AYUSH, Nursing, Physiotherapy, Homoeopathy and Allied Health Sciences for UG students for the year 2023-24.

As per the decision of the Syndicate the following orders are made.

ORDER NO. RGU/ADV-RES/UG RESEARCH/188/2022-23, DATED:31-07-2023

Pursuant to the approval of the Syndicate, sanction is hereby accorded for release of grant-in-aid amounting to Rs.15000 (Fifteen Thousand only) towards research proposal entitled "Green synthesis of silver nanoparticles of ethanolic extract of an aquatic sea weed Pistia striates Linn. and its in vitro antitubercular activity. ", for the year 2022-23.

The Grant-in-aid will be released in the name of Head of the Institution subject to following terms and conditions mentioned hereunder.

1.	The Principal / Head of Institution shall maintain a separate account for research purpose and for receiving the financial grant released by RGUHS in the name of The Principal / Head of the Institution and the details of the same shall be submitted to RGUHS.
2.	Principal / Head of the Institution and the Guide shall be responsible for the accounts and the proper utilization of the funds. The grants released shall be used only for research purpose.
3.	The project shall be completed within three months from the date of release of grants. However, the University reserves the right to extend the tenure in deserving cases on requisition from the PI maximum for a duration of one month only.
4.	During the research work, members of the Expert Committee from the university shall reserve the right of inspection of the research activity being carried out.
5.	All the details about the conduct of research activity along with documents should be properly maintained by the Principal Investigator and the guide.
6.	ICMR and MCI guidelines especially with regard to ethical issues shall be followed strictly in the research activity.
7.	Regarding ethical issues in various faculties, the guidelines prescribed in the apex bodies or any other related authorities or any law/rules approved from time to time specifically applicable to the research being conducted shall strictly be adhered to by the Institution, Principal Investigator and the guide.
8.	Publication is not mandatory for the undergraduate Research Project. However if the PI wishes to publish the Research project, it may be published in RGUHS journal/ national/ international indexed journals after the completion of the project. During such publication it is the duty of the Principal Investigator to acknowledge the assistance given by the University as a source of funding for the research activity. The Principal Investigator shall

	absolve the University in all future legal complications regarding copyright/plagiarism issues with respect to the research project.
9.	In case the Principal Investigator discontinues the research work under unforeseen circumstances, the guide/Head of the institute shall take the responsibility to find a suitable alternative for carrying out the research project with the consent of the university or the entire Research grant may be refunded through DD favoring "Registrar RGUHS". It is the responsibility of the Principal/ Head of the Institution/Guide to ensure, in such circumstances, that the research is completed.
10	In case the Guide of the research project leaves the college or exits the project the Head of the institute should inform RGUHS and give the New Guide details with covering letter . (Note: The Guide can be changed only once in the tenure of the research project.)
11.	It is the responsibility of the Head of the Institution/Guide and Principal Investigator to ensure that research work is completed within the stipulated time. In the event of failure to comply, the Head of the institution and Principal Investigator and guide are jointly liable to refund the released research grant to the University along with the accrued interest.
12.	The grants released by the University shall not be utilized for the purpose of purchase of instruments/equipments/software/books/Internet charges, refreshments, pen drives, Hard drives etc.
13.	Final report, Utilization Certificate (duly attested by the internal auditor of the institution of the PI), Original bills (with GST number) have to be submitted on the completion of the Research project. College vouchers are not accepted.
14.	E-Completion certificate shall be issued to the successful PI's only on receiving "No objection" from the auditors of the University.
15.	After the completion of the project the entire project report in hard copy shall be submitted to the University and will become property of the University and University owns the intellectual property rights (IPR) as per the guidelines adopted by RGUHS on the recommendations of Expert Committee
16.	The principal investigator and the guide agree to the condition that no honorarium will be paid to them.
17.	If any of the conditions mentioned above are not adhered to by the Head of the Institution / Principal Investigator and guide, University reserves the right to take appropriate action
18	In research proposals involving clinical trials, if any untoward incidence occurs, it is the responsibility of the Principal Investigator, guide and the Institution to deal with the same and the University will not take any responsibility in this regard. The Principal Investigator is advised to enter into

	insurance schemes to meet any such adverse eventuality as per the decision of the IEC (Institutional Ethical Committee)
19	All the transaction has to be done through bank or online and has to be reflected in the Bank passbook.
20	One spiral bound Final report has to be submitted to the University. Funds can be utilized for one such report only.
21	The PI/ Guide shall intimate to the Director, Advanced Research, regarding the receipt of the research grant from their respective Colleges before starting the research Project. The receipt should reach the Advanced Research Department within 15 days from the day the grant is received by the Head of the Institution.

Further the Head of the Institution, the Guide and Principal Investigator has to submit a joint affidavit duly signed the Head of the Institution, Guide and Principal Investigator which has to be notarized mentioning all the conditions from Sl. No. 1 to 21 and stating that they will be abide by the conditions stipulated in this order.

only after the receipt of Pre-receipt certificate and the affidavit as above, further process for release of research grant-in-aid will be initiated. These documents have to be submitted to The Director, Advanced Research, RGUHS (super scribing the documents as "Undergraduate Research ,Advanced Research proposal") either, in person or by post on or before 25th August 2023 without fail.

By order
DIRECTOR
ADVANCED RESEARCH

11.	It is the responsibility of the Head of the Institution/Guide and Principal Investigator to ensure that research work is completed within the stipulated time. In the event of failure to comply, the Head of the institution and Principal Investigator and guide are jointly liable to refund the released research grant to the University along with the accrued interest.
12.	The grants released by the University shall not be utilized for the purpose of purchase of instruments/equipments/software/books/Internet charges, refreshments, pen drives , Hard drives etc.
13.	Final report, Utilization Certificate (duly attested by the internal auditor of the institution of the PI), Original bills (with GST number) have to be submitted on the completion of the Research project. College vouchers are not accepted.
14.	E-Completion certificate shall be issued to the successful PI's only on receiving "No objection" from the auditors of the University.
15.	After the completion of the project the entire project report in hard copy shall be submitted to the University and will become property of the University and University owns the intellectual property rights (IPR) as per the guidelines adopted by RGUHS on the recommendations of Expert Committee
16.	The principal investigator and the guide agree to the condition that no honorarium will be paid to them.
17.	If any of the conditions mentioned above are not adhered to by the Head of the Institution / Principal Investigator and guide, University reserves the right to take appropriate action.
18	In research proposals involving clinical trials, if any untoward incidence occurs, it is the responsibility of the Principal Investigator, guide and the Institution to deal with the same and the University will not take any responsibility in this regard. The Principal Investigator is advised to enter into

	insurance schemes to meet any such adverse eventuality as per the decision of the IEC (Institutional Ethical Committee)
19	All the transaction has to be done through bank or online and has to be reflected in the Bank passbook.
20	One spiral bound Final report has to be submitted to the University. Funds can be utilized for one such report only.
21	The PI/ Guide shall intimate to the Director, Advanced Research, regarding the receipt of the research grant from their respective Colleges before starting the research Project. The receipt should reach the Advanced Research Department within 15 days from the day the grant is received by the Head of the Institution.

Further the Head of the Institution, the Guide and Principal Investigator has to submit a joint affidavit duly signed the Head of the Institution, Guide and Principal Investigator which has to be notarized mentioning all the conditions from Sl. No. 1 to 21 and stating that they will be abide by the conditions stipulated in this order.

only after the receipt of Pre-receipt certificate and the affidavit as above, further process for release of research grant-in-aid will be initiated. These documents have to be submitted to The Director, Advanced Research, RGUHS (super scribing the documents as "Undergraduate Research ,Advanced Research proposal") either in person or by post on or before 25th August 2023 without fail.

RAJIV GANDHI UNIVERSITY OF HEALTH SCIENCES, BANGALORE
UNDER GRADUATE PROJECT APPROVAL ORDER

Sub:	Orders for approval of research grants to the UG students of affiliated institutions of RGUHS to carryout research projects for the year 2023-24.reg
Ref:	1. University notification No: RES/UG-RESEARCH/188/2021-22 dated 06-01-2023 2. Approval of the 180 th Syndicate meeting held on 10-07-2023
Project Code	UG23PHA503
Subject and faculty	Pharmaceutical Chemistry PHARMACY
Principal Investigator	PALLAVI S
College	THE OXFORD COLLEGE OF PHARMACY
Name of the Guide/Designation and Dept	Mrs. G. Suyarna Lakshmi Asst. Professor
Research Project Title	Synthesis of Novel Benzimidazole Analogues As Potent Anti-Convulsant Agents.
Research Grants Sanctioned	15000
Duration of the Project	Three months from the date of issue of amount through NEFT/RTGS.

One of the main objectives of the University is to promote research activities in the University affiliated colleges. In this regard University had invited applications for financial assistance for conducting the research projects by the UG students of colleges affiliated to RGUHS for the year 2023-24, wherein university received 571 research proposals. The Subject Experts as suggested by the concerned BOS UG chairpersons and the Expert Committee have scrutinized the research proposals and shortlisted them based on the criteria set out by the University. Such of the proposals which have fulfilled the norms, have been recommended by the Expert Committee for sanction of research grants.

Bangalore - 560 068

The Syndicate in its 180th meeting held on 10-07-2023 has approved to sanction the grant-in-aid as per the recommendations of Expert Committee for 353 selected proposals in Medical, Dental, Pharmacy, AYUSH, Nursing, Physiotherapy, Homoeopathy and Allied Health Sciences for UG students for the year 2023-24.

As per the decision of the Syndicate the following orders are made.

ORDER NO. RGU/ADV-RES/UG RESEARCH/188/2022-23, DATED:31-07-2023

Pursuant to the approval of the Syndicate, sanction is hereby accorded for release of grant-in-aid amounting to Rs.15000 (Fifteen Thousand only) towards research proposal entitled "Synthesis of Novel Benzimidazole Analogues As Potent Anti-Convulsant Agents. ", for the year 2022-23.

The Grant-in-aid will be released in the name of Head of the Institution subject to following terms and conditions mentioned hereunder.

1.	The Principal / Head of Institution shall maintain a separate account for research purpose and for receiving the financial grant released by RGUHS in the name of The Principal / Head of the Institution and the details of the same shall be submitted to RGUHS.
2.	Principal / Head of the Institution and the Guide shall be responsible for the accounts and the proper utilization of the funds. The grants released shall be used only for research purpose.
3.	The project shall be completed within three months from the date of release of grants. However, the University reserves the right to extend the tenure in deserving cases on requisition from the PI maximum for a duration of one month only.
4.	During the research work, members of the Expert Committee from the university shall reserve the right of inspection of the research activity being carried out.
5.	All the details about the conduct of research activity along with documents should be properly maintained by the Principal Investigator and the guide.
6.	ICMR and MCI guidelines especially with regard to ethical issues shall be followed strictly in the research activity.
7.	Regarding ethical issues in various faculties, the guidelines prescribed in the apex bodies or any other related authorities or any law/rules approved from time to time specifically applicable to the research being conducted shall strictly be adhered to by the Institution, Principal Investigator and the guide.
8.	Publication is not mandatory for the undergraduate Research Project. However if the PI wishes to publish the Research project, it may be published in RGUHS journal/ national/ international indexed journals after the completion of the project. During such publication it is the duty of the Principal Investigator to acknowledge the assistance given by the University as a source of funding for the research activity. The Principal Investigator shall

	absolve the University in all future legal complications regarding copyright/ plagiarism issues with respect to the research project.
9.	In case the Principal Investigator discontinues the research work under unforeseen circumstances, the guide/Head of the institute shall take the responsibility to find a suitable alternative for carrying out the research project with the consent of the university or the entire Research grant may be refunded through DD favoring "Registrar RGUHS". It is the responsibility of the Principal/ Head of the Institution/Guide to ensure, in such circumstances, that the research is completed.
10	In case the Guide of the research project leaves the college or exits the project the Head of the institute should inform RGUHS and give the New Guide details with covering letter . (Note: The Guide can be changed only once in the tenure of the research project.)
11.	It is the responsibility of the Head of the Institution/Guide and Principal Investigator to ensure that research work is completed within the stipulated time. In the event of failure to comply, the Head of the institution and Principal Investigator and guide are jointly liable to refund the released research grant to the University along with the accrued interest.
12.	The grants released by the University shall not be utilized for the purpose of purchase of instruments/equipments/software/books/Internet charges, refreshments, pen drives , Hard drives etc.
13.	Final report, Utilization Certificate (duly attested by the internal auditor of the institution of the PI), Original bills (with GST number) have to be submitted on the completion of the Research project. College vouchers are not accepted.
14.	E-Completion certificate shall be issued to the successful PI's only on receiving "No objection" from the auditors of the University.
15.	After the completion of the project the entire project report in hard copy shall be submitted to the University and will become property of the University and University owns the intellectual property rights (IPR) as per the guidelines adopted by RGUHS on the recommendations of Expert Committee
16.	The principal investigator and the guide agree to the condition that no honorarium will be paid to them.
17.	If any of the conditions mentioned above are not adhered to by the Head of the Institution / Principal Investigator and guide, University reserves the right to take appropriate action.
18	In research proposals involving clinical trials, if any untoward incidence occurs, it is the responsibility of the Principal Investigator, guide and the Institution to deal with the same and the University will not take any responsibility in this regard. The Principal Investigator is advised to enter into

	insurance schemes to meet any such adverse eventuality as per the decision of the IEC (Institutional Ethical Committee)
19	All the transaction has to be done through bank or online and has to be reflected in the Bank passbook.

SUB: Seeking your kind approval under the Institutional Seed Money scheme for the Shortlisted Research Projects" 2022-23 reg;

Respected Mam

I am pleased to inform you that our pharmacy department has submitted several proposals under the Institution's seed money scheme for the academic year 2022-23. After a rigorous evaluation, the scrutiny committee has shortlisted 09 research projects from various departments in TOCP. These projects have been selected based on their scope and potential to contribute significantly to their respective fields.

I want your kind approval and support in providing the necessary funding and resources for our research projects under the seed money scheme. This funding will help facilitate the research and development of these projects, thereby providing a unique opportunity for our faculty and students to expand their knowledge and skills in their respective areas of study.

We are confident that our research projects will be completed successfully with your support and will pave the way for further research and development in pharmacy. We assure you that the funds will be utilized effectively and efficiently, and we will provide regular updates on the progress of our research projects.

Therefore, I request that you forward the shortlisted proposals of our pharmacy department to the management of grant seed money. We earnestly hope that you will consider our request and provide your approval for it.

The list is enclosed herewith for your kind consideration.

SUB: Request seed money grant for the identified project's further scope

Respected Sir,

As an endeavor to augment research culture and instill research acumen amongst students, and the teaching fraternity, the Oxford College of Pharmacy has constituted an R&D committee which focuses and identifies the student and faculty project with scope for further enhancement, such as publications converting into experimental grants. Thus, a seed money grant shall enable the student/faculty to conduct a pilot study of the proposed projects.

In line with this and reference to the new research promotion policy dated on 18.11.22, the R&D committee has scrutinized 33 projects and shortlisted 09 projects eligible for further scope.

The details of the project are enclosed here for your kind perusal. So kindly grant the seed money.

Date: 30.09.2020

UNDER GRADUATE PROJECT APPROVAL ORDER

Sub: Orders for approval of research grants to the UG students of affiliated institutions of RGUHS to carryout research projects— reg

Ref: 1. University notification No: RGU/Res/UG Research/16/2018-19, dated:30.12.2020
2. Approval of the Syndicate in its 151ST meeting held on 07.08.2020

Project Code and Faculty	UG20PHA514	Pharmacy
Principal Investigator:	THANUSH D	
Research Project Title:	Effect of Amaranthus spinosus on Cyclophosmide induced reproductive toxicity in male rats.	
Sanctioned amount and duration of the project:	15000	Three months from the date of issue of cheque

One of the main objectives of the University is to promote research activities in the University and also affiliated colleges. In this regard University had invited applications for financial assistance for conducting the research projects by the UG students of colleges affiliated to RGUHS for the year 2020-21, wherein university received 498 research proposals. The Subject Experts as suggested by the concerned BOS UG chairpersons and the Expert Committee comprising of all the BOS UG chairpersons have scrutinized the research proposals and shortlisted them based on the criteria set out by the University. Such of the proposals which have fulfilled the norms, have been recommended by the Expert Committee for sanction of research grants.

The Syndicate in its 151ST meeting held on 07.08.2020 has approved to sanction the grant-in-aid as per the recommendations of Expert Committee for 305 selected proposals in Medical, Dental, Pharmacy, AYUSH, Nursing, Physiotherapy, and Allied Health Sciences for UG students for the year 2020-21.

As per the decision of the Syndicate the following orders are made.

ORDER NO. RGU/RES/UG RESEARCH/16/2018-19, DATED:30-09-2020

Pursuant to the approval of the Syndicate, sanction is hereby accorded for release of grant-in-aid amounting to Rs. 15000/- (Rupees Fifteen Thousand only) towards research proposal entitled (' Effect of Amaranthus spinosus on Cyclophosmide induced reproductive toxicity in male rats.) of --The oxford college of pharmacy college for the year 2020-21.

The Grant-in-aid will be released in the name of Head of the Institution The oxford college of pharmacy subject to following terms and conditions mentioned hereunder.

1. The Principal / Head of Institution shall maintain a separate account for research purpose and for receiving the financial grant released by RGUHS in the name of The Principal / Head of the Institution, and the details of the same shall be submitted to RGUHS.
2. Principal / Head of the Institution and the Guide should be responsible for the account and the proper utilization of the funds. The grants released shall be used only for research purpose.
3. The project shall be completed within Three months from the date of release of grant-in-aid. However, the University reserves the right to extend the tenure in deserving cases.
4. Principal Investigator shall furnish project status report once in a month till the completion of the project to the Director, Advance Research, RGUHS.
5. During the research work, members of the Expert Committee along with Subject Experts shall reserve the right of inspection of the research activity being carried out.
6. All the details about the conduct of research activity along with documents should be properly maintained by the Principal Investigator and the guide.
7. ICMR and MCI guidelines especially with regard to ethical issues shall be followed strictly in the research activity.
8. Regarding ethical issues in various faculties, the guidelines prescribed in the apex bodies or any other related authorities or any law/rules approved from time to time specifically applicable to the research being conducted shall strictly be adhered to by the Institution and Principal Investigator and the guide.
9. Research project may be published in national/ international indexed journals after the completion of the project. During such publication it is the duty of the Principal Investigator to acknowledge the assistance given by the University as a source of funding for the research activity. The Principal Investigator shall absolve the University in all future legal complications regarding copyright / plagiarism issues with respect to the research project.
10. In case the Principal Investigator discontinues the research work under unforeseen circumstances, the co-investigator shall continue the research work and complete the project with the approval of the University. It is the responsibility of the Principal/ Head of the Institution/Guide to ensure, in such circumstances, that the research is completed with the co-investigator of the research project. If the project does not have a co-investigator and the principal investigator is withdrawing from the project, then, it shall be the responsibility of the guide to find a suitable alternative for carrying out the research project.
11. It is the responsibility of the Principal/ Head of the Institution and Principal Investigator to ensure that research work is completed within the stipulated time. In the event of failure to comply, the institution and Principal Investigator and guide are jointly liable to refund the research amount released by the University
12. The grants released by the University shall not be utilized for the purpose of purchase of equipment's/ software.
13. After the completion of the project the entire project report shall be submitted to the University and will become property of the University and University owns the intellectual property rights (IPR) as per the guidelines adopted by RGUHS on the recommendations of Expert Committee
14. The principal investigator and the guide agree to the condition that no honorarium will be paid to them.

15. If any of the conditions mentioned above are not adhered to by the Principal/ Head of the Institution and the Principal Investigator and guide, University reserves the right to take appropriate action

16. In research proposals involving clinical trials, if any untoward incidence occurs, it is the responsibility of the Principal Investigator, guide and the Institution to deal with the same and the University will not take any responsibility in this regard. The Principal Investigator is advised to enter into insurance schemes to meet any such adverse eventuality as per the decision of the IEC.

17. Mention Project Code for all the correspondence relating to the research project.

Further the Principal / Head of the Institution and Principal Investigator has to submit a joint affidavit duly signed by both of the Principal / Head of the Institution and Principal Investigator which has to be notarized mentioning all the conditions from Sl.No. 1 to 17 and stating that they will abide by the conditions stipulated in this order.

Only after the receipt of Pre-receipt certificate and the affidavit as above, further process for release of research grant-in-aid will be initiated. These documents have to be submitted to the Director, Advanced Research, RGUHS (superscribing the documents as ("Under graduate Research proposal") either in person or by post within 15 days without fail. Soft copies of these documents shall also be sent to advresearch@rguhs.ac.in

*Sanctioned amount will be sent through RTGS only after you submit the affidavit and pre-receipt to Advanced research dept, RGUHS . Acknowledgement of receipt of the sanctioned amount should be made by sending mail or bank statement to advresearch@rguhs.ac.in .

Bangalore - 560 053

As per the decision of the Syndicate the following orders are made

**ORDER NO. RGU/ADV.RES/GRANTS/059/2016-17 DATED:
30.01.2017**

Pursuant to the approval of the Syndicate, sanction is hereby accorded for release of grant-in-aid amounting to Rs. 650000/Rupees Rupees Six Lakh Fifty Thousand Only) towards research proposal " Green synthesis of Nanoparticles using plant extracts and their in vitro anticancer activity " Of Dr. M.Padma Parakh, for the year 2016-17. The Grant-in-aid will be released in the name of Principal of the **THE OXFORD COLLEGE OF PHARMACY**, Institute subject to following terms and conditions mentioned hereunder.

1. The Principal / Head of Institution shall maintain a separate joint account for receiving the financial grant released by RGUHS in the name of Principal / Head of the Institution and the Principal Investigator.
2. Principal / Head of the Institution and the Principal Investigator shall be responsible for the accounts and the proper utilization of the funds. The grants released shall be used only for research purpose.
3. 50% of the grant-in-aid approved by RGUHS shall be released as 1st installment. 25% of the grant-in-aid shall be released after the Utilization Certificate for the money released in the 1st installment is given. Balance of 15% shall be released after the Utilization Certificate for the money released in the 2nd installment is given. Remaining 10% will be released after the submission of Project Report to the University. Audit report shall be submitted along with every Utilization Certificate.

The bifurcation of grant-in-aid as per the above criteria applicable to you is as follows:

Events (Sub-Heads)	First Installment (50% of the total grants)	Second Installment (25% of the total grants)	Third Installment (15% of the total Grants)	Fourth Installment (10% of the total Grants)
Honorarium	48000	36000	17500	0
Cost per test	184000	70000	30000	25000
Contingencies	82000	16500	15000	10000
Travel	1000	10000	10000	10000
Presentation in conference	10000	36000	25000	20000
Total	325000	162500	97500	65000

Please note that above bifurcation of grants is provisional. If any change/s is/are required in the bifurcation of amount under sub-heads, the approval of Expert Committee shall be obtained.

4. The project shall be completed within Two Years from the date of release of 1st installment of grant-in-aid. However, the University reserves the right to extend the tenure in deserving cases.

5. Principal investigator shall furnish project status report once in six months till the completion of the project to the Director, Advance Research, RGUHS.
6. During the research work, members of the Expert Committee along with Subject Experts shall reserve the right of inspection of the research activity being carried out.
7. All the details about the conduct of research activity along with documents should be properly maintained by the Principal Investigator. He/She should submit such details of research to monitoring committee or to the University whenever it is called for.
8. ICMR and MCI guidelines especially with regard to ethical issues shall be followed strictly in the research activity.
9. Regarding ethical issues in various faculties, the guidelines prescribed in the apex bodies or any other related authorities or any law/rules approved from time to time specifically applicable to the research being conducted shall strictly be adhered to by the Institution and Principal Investigator.
10. Research project shall be published in national/international indexed journals after the completion of the project. During such publication it is the duty of the Principal Investigator to acknowledge the assistance given by the University as a source of funding for the research activity. The Principal Investigator shall absolve the University in all future legal complications regarding copyright/plagiarism issues with respect to the research project.
11. In case the Principal Investigator discontinues the research work under unforeseen circumstances, the co-investigator shall continue the research work and complete the project with the approval of the University. It is the responsibility of the Principal/Head of the Institution to ensure, in such circumstances, that the research is completed with the co-investigator of the research project.
12. It is the responsibility of the Principal/Head of the Institution and Principal Investigator to ensure that research work is completed within the stipulated time. In the event of failure to comply, the institution and Principal Investigator are jointly liable to refund the research amount released by the University.
13. The grants released by the University shall not be utilized for the purpose of purchase of equipments/software.
14. The honorarium for the supportive staff, purchase of consumables, tests carried outside the institution because of lack of infrastructural facilities in the institution, travel grants for attending conference for presenting the

research work and for publication of papers in national / indexed journals shall be met out of the grant-in-aid.

15. After the completion of the project the entire project report shall be submitted to the University and will become property of the University and University owns the intellectual property rights (IPR) as per the guidelines adopted by RGUHS on the recommendations of Expert Committee.

16. If any of the conditions mentioned above are not adhered to by the Principal/ Head of the Institution and the Principal Investigator, University reserves the right to take appropriate action.

17. In research proposals involving clinical trials, if any untoward incidence occurs, it is the responsibility of the Principal Investigator and the Institution to deal with the same and the University will not take any responsibility in this regard. The Principal Investigator is advised to enter into insurance schemes to meet any such adverse eventuality as per the decision of the IEC.

Further the Principal / Head of the Institution and Principal Investigator has to submit a joint affidavit duly signed by both of the Principal / Head of the Institution and Principal Investigator which has to be notarized mentioning all the conditions from Sl.No.1 to 17 and stating that they will abide by the conditions stipulated in this order.

Only after the receipt of Pre-receipt certificate and the affidavit as above, further process for release of research grant-in-aid will be initiated. These documents have to be submitted to the Director, Advanced Research, RGUHS (superscribing the documents as ["Advanced Research proposal"], either in person or by post on or before 07.02.2017 without fail. Soft copies of these documents shall also be sent to raahsrsearch@gmail.com before 07.02.2017

Cheque has to be collected in person at Advanced Research Wing of RGUHS after the intimation from the University and no representatives are allowed to collect the cheque.
