

## SOFT SKILL FOR SUCCESSFUL CAREER

Soft skill is the ability required and expected from persons for finding a suitable job, its maintenance and promotion

## IMPORTANCE OF SOFT SKILL

Soft skill are very important

- To handle interpersonal relations
- To take appropriate decisions
- To communicate effectively
- To have good impression and impact to gain professional development

## COMMUNICATION SKILL AS SOFT SKILL

- Communication skills form the corner stone of soft skill
- Every human being has to essentially & effectively communicate with others
- Effective communication is the hallmark of one's education

• The ability to speak fluently using the right word in the right order is an good communication

• Message using appropriate vocabulary and syntax form effective communication

## BODY LANGUAGE

Non verbal language

- Face is the index of the mind and it clearly displays the persons interest
- Body language presents to the audience what we feel & think about the particular matter
- Ex: Nodding one's head
- Body language (e.g. arms crossed, standing, sitting, relaxed)

## WRITTEN COMMUNICATION SKILL

- Writing evaluates a person's proficiency indications, spelling grammar etc...
- Errors committed while writing circulars, reports & agenda considerably spoil the image of the writer
- Good visual presentation using graphics, color, balanced design layout adds so much to written communication.
- Keep handouts and other written materials for your presentation.

WRITING

## The Oxford College of Pharmacy, Hongasandra, Bangalore- 560068

### **SOFT SKILL DEVELOPMENT** **(Training Programme)**

#### Programme description

The Department of Pharmaceutical Chemistry, The Oxford College of Pharmacy, Bangalore- 560068 introduces two days training programme on soft skill development. This Soft Skills training programs training imparted to fine-tune the students' attitudes, values, beliefs, motivation, desires, feelings, eagerness to learn, willingness to share and embrace new ideas, goal orientation, flexibility, persuasion, futuristic thinking, diplomacy, and various skill sets of communication, manners, and etiquette so that they will be able to deal with different situations diligently and responsibly. This training programme will be of interest to Pharmacy and Pharm D final year students.

#### Duration of the Course and Registration

<b>Duration</b> (Two days)	<b>February</b>
<b>Hours</b>	<b>Five Hours Per Day, Total: 10 Hours</b>
<b>Timing</b>	<b>10:00 AM to 3:00 PM</b>

#### General Information

1. This course is offered at no cost. The course is conducted via Power point presentation lectures and classroom discussions to interact with faculty.
2. The course consists of approximately 30 hours of lectures of 60 minutes each. The course syllabus, videos, handouts, and other course material will be posted through e-learning modules.
3. Although not required, each registered participant is expected to take the online final exam, which consists of 30 multiple choice questions.
4. An electronic Certificate of Completion is awarded to each registered participant who achieves a score of 75% or higher on the final exam.
5. There is no academic credit offered for this course.

## PRESENTATION SKILLS

- Presentation skills include planning, preparation & delivery of the message
- Making a formal speech is one form of presentation
- Presentation skills can be broadly categorized into physical oral, & electronic

• Success in life depends on presenting ideas in an appropriate manner

- Look at the eyes of audience & speak in a natural, conversational voice
- Appropriate voice will make the presentation effective and interesting
- Ask for feed back from your audience about your presentation & change accordingly
- In presentation especially, stop occasionally to ask the audience understand what you have said

## TEAM WORK

- ◆ People of either gender, different age groups, qualification, status & skills work as a team with a common objective of accomplishing the task
- ◆ The success of any organization largely depends on in the coordinated efforts of its employees
- ◆ It mainly refers to the agreeableness & co-operation among the team members

## PROFESSIONAL ETHICS

- ◆ Professional ethics is the need of the hour in India
- ◆ When a person is at the work spot, he must think of his work only
- ◆ He must put his heart & soul into the work
- ◆ Each employee is a organic part of the organization & must strive to contribute his mite to the successful functioning of the organization

## INTERPERSONAL SKILLS

- ◆ Man is a social animal & his success in life largely depends on his relationship & interaction with others
- ◆ We must respect the views & sentiments of others.
- ◆ When we want to differ their views, we must very politely give hints to them without wounding their feelings

## TIME & STRESS MANAGEMENT

- Prioritize the work & schedule your time accordingly
- Impotent work should be allotted more time & taken up first
- Listening to classical music & practicing Yoga will considerably reduce the physical, emotional & mental stress of an individual

### Aim and Objectives

The objectives of the Skills Soft Training Workbook are to give each student a realistic perspective of work and work expectations, to help formulate problem solving skills, to guide students in making appropriate and responsible decisions, to create a desire to fulfil individual goals, and to educate students about unproductive thinking, self-defeating emotional impulses, and self-defeating behaviours.

**Aim of such programs is that the students should be able to:**

- i) Develop effective communication skills
- ii) Develop effective presentation skills.
- iii) Conduct effective business correspondence and prepare business reports which produce results.
- iv) Become self-confident individuals by mastering inter-personal, team management, and leadership skills.
- v) Develop all-round personality with a mature outlook to function effectively in different circumstances.
- vi) Develop broad career plans, evaluate the employment market, identify the organizations to get good placement, match the job requirements and skill sets.
- vii) Take part effectively in various selection procedures adopted by the recruiters.

## Soft Skills

"Technical skills  
may get you the job,  
but soft skills can make you  
or break you as a manager!"

## Soft Skills: Defined

- Soft skills refer to a cluster of *personal qualities, habits, attitudes and social graces* that make someone a good employee and compatible to work with.
- Unlike hard skills, which tend to be specific to a certain type of task, *soft skills are broadly applicable*.

## Soft Skills: Examples of Interpersonal Attributes

- Interpersonal abilities
  - Empathy
  - Leadership
  - Communication
  - Teamwork
  - Good manners
  - Ability to teach
  - Works well with diversity
  - Self-confidence

## Soft Skills: Examples of Personal Attributes

- Personal Attributes:
  - Optimism
  - Responsibility
  - Sense of humor
  - Integrity
  - Time management
  - Motivation
  - Common Sense

It's often said that hard skills will get you an interview but **you need soft skills to get (and keep) the job.**

## IQ

- We live in a society that measures intelligence (IQ) through quantifiable metrics
  - You complete the assignments, come to class, learn the concepts, and you get an "A"

## EI

- In the workplace, most compliments will deal more with the use of **soft skills** (EI - Emotional Intelligence) than your actual knowledge about a particular situation.
- Customers appreciate a **"willingness to help"** or the fact that you **"listened to my complaint."**

## Importance

- Employers criticize university output as having their heads full of theories, concepts and principles but graduates are often ill-equipped to deal with real life situations
- 'Soft skills are a lot harder to teach in the world of work'  
Wall Street Journal Article, 2002

## Predictors of success in the world of work

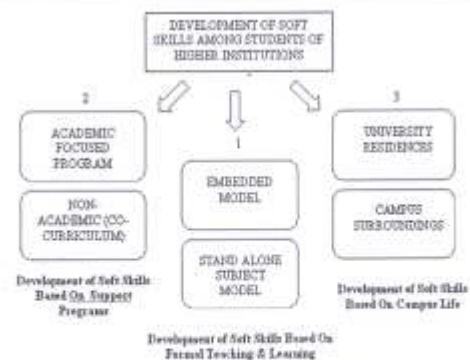

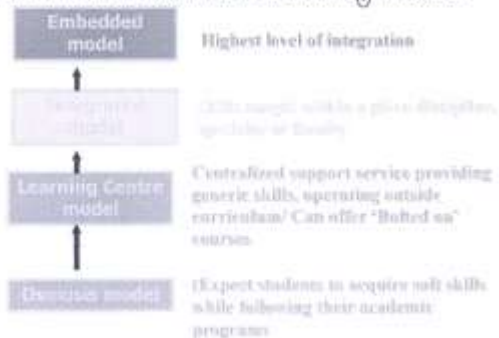

## Targeting soft skills

- Inclusion of career guidance in academic program
- Outward bound training (Experiential learning)
- Debates/ public speaking competitions/ Toastmasters Club
- Strengthening of student societies
- Competitions for projects displaying innovative thinking and team work
- Mentoring programs within and outside the system (limited numbers)

## Targeting soft skills in academic programs

- Lectures/ workshops on campus
  - Time management
  - Stress management
  - Conflict resolution/ negotiation/ mediation
  - Effective presentations
  - Assertive behavior
  - Understanding teamwork
  - Covey's 7 habits of effective people
  - CV writing and interview facing (in the last year)

## Evolution of soft skills teaching models
